## ASSEMBLY INSTRUCTIONS

Follow the included Leveled Building Guide for step-by-step instructions on assembling your Marble Rush set. The guide provides color-coded diagrams to help you connect the pieces correctly. The storage box is designed to be an integral part of your marble run creations, allowing you to build directly on and around it.

1. Unpack all components from the storage box.
2. Refer to the Leveled Building Guide to select a build level (Beginner to Advanced).
3. Connect the color-coded building pieces according to the guide's diagrams. Ensure all connections are secure.
4. Integrate the storage box into your build as indicated in the instructions.
5. Once the structure is complete, place the marbles at the starting points to test your creation.

## CARE AND MAINTENANCE

To ensure the longevity of your VTech Marble Rush Colossal Adventure Storage Set, follow these care and maintenance guidelines:

- **Cleaning:** Wipe down all plastic components with a soft, damp cloth. Do not submerge any parts in water. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Always store the set in its original storage box when not in use to prevent loss of pieces and protect them from dust and damage.

- **Handling:** Handle all pieces with care to avoid breakage. Do not force connections.

## TROUBLESHOOTING

If you encounter any issues with your VTech Marble Rush Colossal Adventure Storage Set, please refer to the following common solutions:

- **Marbles getting stuck:** Ensure all track pieces are securely connected and aligned. Check for any debris or small objects obstructing the path.
- **Pieces not connecting:** Verify that you are using the correct pieces as indicated in the building guide. Apply gentle, even pressure when connecting. If a piece is damaged, it may need replacement.
- **Set unstable:** Make sure the base pieces are on a flat, stable surface. Double-check all vertical connections for proper seating.
