anwickjeff Vanity Table Set

MODEL 011 INSTRUCTION MANUAL

1. Product Overview

This manual provides instructions for the assembly, operation, and maintenance of your anwickjeff Vanity Table Set, Model 011. This set includes a vanity desk with multiple drawers, storage shelves, a round mirror with touch-control LED lights, and a matching stool.

Please read all instructions carefully before assembly and use to ensure safe and proper operation.

2. Safety Information

- Keep all small parts and packaging materials away from children.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand on the vanity table or stool.
- Avoid placing hot items directly on the surface to prevent damage.
- Use only the provided power adapter for the LED mirror.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Vanity Desk Top
- Vanity Stool
- Round LED Mirror
- Desk Legs (x2)
- Stool Legs (x4)
- Side Storage Unit with Drawers

- Upper Shelf Unit
- Hardware Pack (screws, dowels, Allen wrench)
- Power Adapter for LED Mirror

4. Setup and Assembly

Tools Required: Phillips head screwdriver (not included), Allen wrench (included).

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Vanity Desk Legs:** Attach the two desk legs to the underside of the main vanity desk top using the provided screws. Ensure they are securely fastened.
3. **Assemble Stool:** Attach the four stool legs to the stool seat using the provided screws. Tighten firmly.
4. **Attach Side Storage Unit:** Position the side storage unit next to the main desk. Secure it to the desk top and any connecting points using the designated hardware.
5. **Install Upper Shelf Unit:** Place the upper shelf unit onto the main desk top, securing it with screws from underneath or from the back panel as indicated in the assembly diagram.
6. **Mount Mirror:** Carefully attach the round LED mirror to the designated slot or mounting points on the upper shelf unit. Ensure it is stable.
7. **Insert Drawers:** Slide all drawers into their respective slots in the main desk and side storage unit.
8. **Connect LED Power:** Plug the power adapter into the mirror's power port and then into a standard electrical outlet.

5. Operating Instructions

5.1 LED Mirror Operation

The round mirror features integrated LED lighting with touch control.

- **Power On/Off:** Lightly touch the power icon on the mirror surface to turn the LED lights on or off.
- **Brightness Adjustment:** Press and hold the power icon to adjust the brightness level. Release when the desired brightness is achieved.

5.2 Drawer and Shelf Usage

The vanity set includes multiple drawers and open shelves for storage.

- Use the drawers for organized storage of cosmetics, jewelry, and personal items.
- The open shelves are suitable for displaying frequently used items or decorative pieces.

Image: Detailed view of the vanity desk drawers, illustrating their capacity and smooth operation.

6. Maintenance and Care

- **Cleaning Surfaces:** Wipe the wood surfaces with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Mirror Cleaning:** Use a soft, lint-free cloth and a glass cleaner suitable for mirrors. Do not spray cleaner directly onto the mirror surface, apply it to the cloth first.
- **Stool Cushion:** Spot clean the stool cushion with a mild fabric cleaner if necessary.
- **Avoid Moisture:** Keep the vanity set away from excessive moisture and direct sunlight to prevent warping or discoloration.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight.

7. Troubleshooting

- **LED Mirror Not Lighting Up:**
Possible Cause: Power adapter not connected or faulty outlet.
Solution: Ensure the power adapter is securely plugged into both the mirror and a working electrical outlet. Test the outlet with another device.
- **Drawers Sticking or Not Sliding Smoothly:**
Possible Cause: Misalignment during assembly or obstruction.
Solution: Remove the drawer and check for any obstructions in the slides. Ensure the drawer slides are correctly aligned and securely attached.
- **Vanity Feels Unstable:**
Possible Cause: Loose leg connections.
Solution: Re-tighten all screws connecting the legs to the desk and stool. Ensure the vanity is on a level surface.

8. Specifications
