HOSPAN FS01A

HOSPAN Collapsible Foot Spa Instruction Manual

Model: FS01A

Brand: HOSPAN

PRODUCT OVERVIEW

The HOSPAN Collapsible Foot Spa is designed to provide a relaxing and therapeutic foot bath experience. It features intelligent temperature control, bubble massage, red light therapy, and shiatsu massage rollers to stimulate blood flow and relieve tired feet. Its collapsible design allows for convenient storage.

SAFETY INFORMATION

Please read and understand all safety instructions before using the foot spa to prevent injury or damage.

- It is recommended to fill the foot spa with warm water around 95°F (35°C) to reduce heating time.
- Do not fill the foot spa with hot water above 113°F (45°C) directly. This may cause the product to stop abnormally.
- Before using the foot spa, ensure the support rod is rotated to the supporting position to stabilize the unit.
- Ensure the unit is placed on a stable, flat surface during use.
- Do not stand in the foot spa. Use while seated.
- Keep out of reach of children.
- Unplug the unit when not in use or before cleaning.

SETUP

1. **Unfold the Foot Spa:** Gently press down on the base and pull up the sides to expand the foot spa to its full height. Ensure the collapsible walls are fully extended and locked into place.
2. **Position the Support Rod:** Locate the support rod and rotate it to the supporting position to ensure stability during use.
3. **Fill with Water:** Fill the foot spa with warm water, ideally around 95°F (35°C), up to the indicated maximum fill line. Do not overfill.
4. **Connect Power:** Plug the power cord into a grounded electrical outlet.

OPERATING INSTRUCTIONS

Once the foot spa is set up and filled with water, you can begin your relaxing experience.

1. **Power On:** Press the **ON/OFF** button on the control panel to turn on the unit. The display will illuminate.
2. **Adjust Temperature:** Use the **TEMP+** and **TEMP-** buttons to set your desired water temperature between 95°F (35°C) and 118°F (48°C). The unit will heat the water to and maintain the set temperature.
3. **Set Timer:** Press the **TIMER** button to set the duration of your foot spa session. The timer can be adjusted from 10 to 60 minutes.
4. **Activate Bubbles & Red Light:** Press the **RED LIGHT BUBBLE** button to activate the oxygen bubbles and red light therapy. The bubbles provide a gentle massage, and the red light assists in relaxation.
5. **Utilize Massage Rollers:** The foot spa is equipped with 8 groups of non-motorized massage

rollers and 4 groups of shiatsu massage points. Gently move your feet back and forth over these rollers to target pressure points and enhance relaxation.

6. **Enjoy the Experience:** Sit back, relax, and enjoy the soothing heat, bubbles, and massage.

7. **Power Off:** Once your session is complete, press the **ON/OFF** button to turn off the unit.

MAINTENANCE

- **Draining Water:** After each use, unplug the unit and use the drainage outlet to empty the water.
- **Cleaning:** Clean the foot spa with a soft cloth and mild detergent. Do not use abrasive cleaners or immerse the control panel in water.
- **Drying:** Ensure the unit is completely dry before folding and storing.
- **Storage:** Fold the foot spa back into its compact form for space-saving storage. Store in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

- **Unit Not Turning On:**
 - Check if the power cord is securely plugged into a working electrical outlet.
 - Ensure the unit is properly unfolded and the support rod is in place.
- **Water Not Heating:**
 - Verify that the temperature setting is above the current water temperature.
 - Ensure the water level is within the recommended range.
 - Avoid filling with water hotter than 113°F (45°C) as this can trigger a safety shutdown.
- **No Bubbles/Red Light:**
 - Ensure the unit is powered on and the respective function button has been pressed.
- **Unusual Noise:**
 - Check for any obstructions in the water or around the internal components.
 - Ensure the unit is on a stable, flat surface.

If issues persist, please refer to the warranty and support information.

SPECIFICATIONS

Feature	Detail
Product Dimensions	16.93 x 7.87 x 15.75 inches
Item Model Number	FS01A
Manufacturer	HOSPAN
Item Weight	4.44 Pounds
Use for	Foot
