Illustrative diagram detailing the soft-close drawer glides with quick-release function, stable dovetail joint drawer box construction, and the use of natural solid wood for durability.

SETUP AND INSTALLATION

The Vinnova Vera Bathroom Vanity is designed for floor mounting and comes largely pre-assembled. The package includes the main cabinet and the acrylic basin.

Unpacking and Inspection:

1. Carefully unpack all components and remove protective packaging.
2. Inspect all parts for any damage that may have occurred during transit. Report any damage to the retailer immediately.
3. Verify that all included components are present: 1x Main Cabinet, 1x Acrylic Basin.

Placement:

- Choose a level surface in your bathroom for placement.

- Ensure adequate space for opening drawers and cabinet doors.

Basin Installation:

- Carefully place the acrylic basin onto the main cabinet. Ensure it is properly aligned with the cabinet's top surface.
- The countertop has pre-drilled holes for standard 1-3/8" single-hole faucets. Faucets are sold separately and are not included with the vanity.

Dimension

Color:

WASHED ASH GREY
WHITE

Package Includes

- 1 x Main Cabinet
- 1 x Acrylic Basin

(All measurements are approximate. Measurements may vary +/- 1/2")

Dimensional drawing of the vanity, showing approximate measurements: 60.0 inches width, 19.7 inches depth, and 34.6 inches height. Also indicates included components: 1x Main Cabinet, 1x Acrylic Basin.

Detailed product features including the pre-drilled 1-3/8" faucet hole, 5.5" thick white acrylic basin, safety countertop corner design, and solid wood vanity base.

OPERATING AND USAGE

The Vinnova Vera Bathroom Vanity is designed for daily use in a bathroom environment. Its features are intended to enhance organization and accessibility.

Drawer and Cabinet Use:

- The drawers are equipped with soft-closing glides to prevent slamming and ensure quiet operation.
- The built-in partitions within the drawers can be adjusted to create up to 5 individual storage spaces, allowing for organized storage of toiletries and other personal items.
- The cabinet doors also feature a soft-closing mechanism.

Adjustable Drawer box

Individual storage space for personal items.

Close-up of an open drawer showing the adjustable internal partitions, which can be configured to create multiple storage compartments for various items.

MAINTENANCE AND CARE

Proper care and maintenance will ensure the longevity and appearance of your Vinnova Vera Bathroom Vanity.

Wood Surfaces:

- Wipe wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- Immediately wipe up any spills to prevent water damage or staining.
- Avoid prolonged exposure to direct sunlight or extreme temperature changes, which can affect the wood finish.

Countertop and Basin:

- The composite-stone countertop and acrylic basin are designed to be scratch-resistant, wear-resistant, and easy to clean due to their high-gloss, anti-fouling coating.

- Clean with mild soap and water. Rinse thoroughly and dry with a soft cloth to prevent water spots.
- Do not use abrasive pads, scouring powders, or strong chemical cleaners, as these can damage the surface finish.

Hardware:

- Clean the brushed gold handles with a soft, dry cloth.
- Avoid using chemical cleaners on the hardware, as they may tarnish the finish.

TROUBLESHOOTING

This section provides solutions to common issues you might encounter with your vanity.

Problem	Possible Cause	Solution
Drawers do not close softly.	Obstruction in the glide mechanism or misaligned drawer.	Check for any objects blocking the glides. Ensure the drawer is properly seated on its tracks. If necessary, remove the drawer (using the quick-release function) and reinsert it.
Water spots on countertop.	Water left to dry on the surface.	Wipe down the countertop with a soft, dry cloth after each use to prevent mineral buildup. For existing spots, use a mild cleaner and soft cloth.
Cabinet doors are misaligned.	Hinge adjustment needed.	Adjust the hinges using a screwdriver. Most vanity hinges allow for minor adjustments in three directions (up/down, left/right, in/out). Refer to standard cabinet hinge adjustment guides if unfamiliar.

SPECIFICATIONS

Attribute	Detail
Brand	VINNOVA
Model Number	B0CSDGHRD5
Item Weight	102.2 kg
Material	70% Wood, 25% Stone, 5% Metal
