2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Always unplug the vanity from the power source before attempting assembly, disassembly, or any maintenance.
- Exercise caution regarding sharp edges and potential pinch points during the assembly process.
- Do not operate the vanity if the built-in power outlet or LED lights appear damaged. Contact customer support for assistance.
- Keep the vanity dry to prevent electrical hazards. Avoid placing liquids directly on the surface near electrical components.
- Do not place excessively heavy objects on the vanity, as this could compromise stability and cause it to tip over.
- Ensure all connections are secure and stable after assembly before use.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the LIVELYGLOW Vanity Desk Set requires careful attention to the provided step-by-step instructions and labeled parts. It is recommended to have a clear, spacious area for assembly.

- 1. Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and identify each part using the labels and the parts list provided in the separate assembly guide.
- 2. Assemble the Main Desk Frame:** Follow the numerical sequence in the assembly guide to connect the main desk panels. Ensure all cam locks and screws are tightened securely.
- 3. Install Drawers:** Assemble the drawer boxes according to the instructions. Install the drawer slides

onto both the desk frame and the drawer boxes. Insert the assembled drawers into their respective slots.

4. **Attach the LED Mirror:** Securely attach the Smart LED Mirror to the top of the vanity desk using the designated hardware. Ensure the mirror is stable and properly aligned.
5. **Install Power Outlet and Hairdryer Rack:** Mount the built-in power outlet unit and the hairdryer rack in their specified locations on the side of the vanity. Connect any necessary wiring as indicated in the assembly guide.
6. **Assemble the Stool:** Assemble the cushion stool following its specific instructions.
7. **Final Check:** Once assembly is complete, double-check all connections for tightness and stability. Ensure the vanity is level.

Note: A detailed, separate assembly guide with diagrams is included in your product packaging. Refer to it for visual step-by-step instructions.

5. OPERATING INSTRUCTIONS

5.1 Smart LED Mirror

The integrated Smart LED Mirror offers customizable lighting for various needs.

- **Power On/Off:** Locate the touch control button on the mirror surface. Tap once to turn the LED lights on or off.
- **Change Lighting Mode:** With the lights on, tap the touch control button repeatedly to cycle through the three distinct lighting modes:
 - **Cool Light (8000K):** Bright, ideal for detailed tasks.
 - **Natural Light (4000K):** Simulates natural daylight, suitable for everyday makeup application.
 - **Warm Light (3000K):** Soft, ambient lighting for evening routines or relaxation.
- **Adjust Brightness (Stepless Dimming):** To adjust the brightness, press and hold the touch control button. The brightness will gradually increase or decrease. Release the button when the desired brightness level is reached.

5.2 Built-in Power Outlet and Hairdryer Rack

The vanity includes a convenient power outlet and a dedicated hairdryer rack.

- **Power Outlet Usage:** The built-in unit features two standard AC outlets (125V/12A) and two USB ports (5V/2.1A). Plug in your hairdryer, mobile phone, or other electronic devices as needed. Ensure devices are compatible with the provided power specifications.
- **Hairdryer Rack:** Utilize the integrated rack to store your hairdryer securely when not in use. This helps keep your vanity surface clear and organized.

5.3 Drawers and Storage

The vanity desk is equipped with four drawers (one long, three short) for organized storage.

- **Drawer Operation:** Gently pull the drawer handles to open and push to close. Avoid forcing drawers, especially if they feel stiff.
- **Storage Capacity:** Utilize the various drawer sizes to store cosmetics, skincare products, jewelry, and other personal items. The large drawer is suitable for bulkier items, while the smaller drawers are ideal for organizing smaller accessories.

6. MAINTENANCE

The LIVELYGLOW Vanity Desk Set is designed for low maintenance. Following these simple guidelines will help preserve its appearance and functionality.

- **Cleaning:** For general cleaning, wipe the surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood. The vanity is designed to be waterproof, but prolonged exposure to liquids should be avoided.
- **Dusting:** Regularly dust the vanity and mirror with a dry, soft cloth to prevent buildup.

- **Mirror Care:** Clean the LED mirror with a glass cleaner applied to a cloth, not directly to the mirror surface, to avoid liquid seeping into electrical components.
- **Electrical Components:** Ensure the power outlet and LED mirror connections remain dry and free from dust. Do not attempt to repair electrical components yourself.

7. TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common troubleshooting steps:

- **LED Mirror Not Lighting Up:**
 - Ensure the vanity is properly plugged into a functional power outlet.
 - Check if the power cord is securely connected to the mirror unit.
 - Tap the touch control button firmly to ensure activation.
- **Power Outlets Not Working:**
 - Verify the main power plug for the vanity is securely connected to a live wall outlet.
 - Test the wall outlet with another device to confirm it is working.
 - Ensure the device you are trying to power is functioning correctly.
- **Drawers Sticking or Not Closing Smoothly:**
 - Check for any obstructions inside the drawer or along the drawer slides.
 - Ensure the drawer slides are properly aligned and securely fastened.
 - Verify that the drawer contents are not overloaded or unevenly distributed.
- **Vanity Wobbles:**
 - Confirm that all assembly screws and fasteners are tightened.
 - Ensure the vanity is placed on a flat, level surface.

If these steps do not resolve the issue, please contact LIVELYGLOW customer support for further assistance.
