tillvex Hanging Hammock Chair Instruction Manual

Model: TVHS09

1. INTRODUCTION

Thank you for choosing the tillvex Hanging Hammock Chair. This chair is designed to provide a comfortable and relaxing experience, suitable for both indoor and outdoor environments. Its robust construction and soft cushioning ensure durability and comfort. Please read this manual carefully before assembly and use to ensure safe and proper operation.

2. SAFETY INSTRUCTIONS

- **Maximum Load Capacity:** Do not exceed the maximum weight limit of 200 kg (440 lbs).
- **Secure Installation:** Ensure the chair is securely attached to a stable and load-bearing structure. Use appropriate mounting hardware for your ceiling or support beam.
- **Regular Inspection:** Periodically check all ropes, rings, and suspension components for wear, damage, or loosening. Replace any damaged parts immediately.
- **Children Supervision:** Children should always be supervised when using the hammock chair.
- **Avoid Sharp Objects:** Keep sharp objects away from the chair's fabric and ropes to prevent damage.
- **Proper Use:** Use the chair for its intended purpose only. Avoid standing on the chair or using it as a ladder.

4. SETUP INSTRUCTIONS

Follow these steps to set up your tillvex Hanging Hammock Chair:

1. **Choose a Location:** Select a suitable location indoors or outdoors with a sturdy ceiling beam, tree branch, or stand capable of supporting the chair's weight and user.
2. **Install Mounting Hardware:** Install appropriate mounting hardware (not included) into your chosen support structure. Ensure it is rated for at least 200 kg.
3. **Attach Suspension Rings:** Connect the two steel suspension rings of the hammock chair to your installed mounting hardware. Ensure the connection is secure and stable.
4. **Check Stability:** Before sitting, gently test the chair's stability and the security of the suspension.
5. **Place Cushion:** Insert the comfortable seat cushion into the hammock chair for optimal comfort.

6. MAINTENANCE

To ensure the longevity and appearance of your tillvex Hanging Hammock Chair, follow these maintenance guidelines:

- **Cleaning the Chair:** The basket material (60% cotton, 40% polyester) can be spot cleaned with a mild detergent and water. Allow to air dry completely.
- **Cushion Care:** The seat cushion is removable for easier cleaning. Follow the care instructions on the cushion label.
- **Frame Care:** The powder-coated steel frame is weather-resistant and waterproof. Wipe clean with a damp cloth as needed.
- **Storage:** For prolonged periods of non-use, especially during harsh weather conditions, it is recommended to store the chair indoors to protect it from extreme elements.

7. TROUBLESHOOTING

If you encounter any issues with your tillvex Hanging Hammock Chair, please refer to the following common solutions:

- **Chair feels unstable:** Ensure all suspension points are securely fastened and the mounting hardware is appropriate for the load. Check for any signs of wear on ropes or rings.
- **Squeaking noise during use:** This may indicate friction at the suspension points. Apply a small amount of lubricant to the metal-on-metal contact points if necessary.
- **Damage to fabric/ropes:** Discontinue use immediately if any significant damage is observed. Contact customer support for replacement parts or advice.
