

HIFIT 082

HIFIT King LED Bed Frame (Model 082) Instruction Manual

Model: 082 | Brand: HIFIT

1. INTRODUCTION

Thank you for choosing the HIFIT King LED Bed Frame. This bed frame is designed to provide comfort and functionality with its integrated charging station, LED lighting, and four storage drawers. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure a seamless experience.

2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use.

- Do not exceed the maximum weight capacity of **1000 lbs**.
- Be cautious of sharp edges and crystals during assembly and use to prevent injury.
- Ensure all connections for the LED lights and charging station are secure before use.
- Keep children away from small parts during assembly.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Headboard
- Footboard
- Side Rails
- Slats
- 4 Storage Drawers
- Installation Manual
- Assembly Tools (Allen wrench, screws, etc.)

4. SPECIFICATIONS

Feature	Detail
Size	King
Product Dimensions (L x W x H)	84.2"L x 77.9"W x 76"H
Material	Metal, Velvet, Wood
Weight Capacity	1000 lbs
Recommended Mattress Height	8-12 inches
Charging Station	USB Ports, Type-C Port, 6.5ft Power Cord
Storage	4 Large Drawers
Special Features	LED Lighting, No Box Spring Needed, Crystal Button Tufted Wingback Headboard

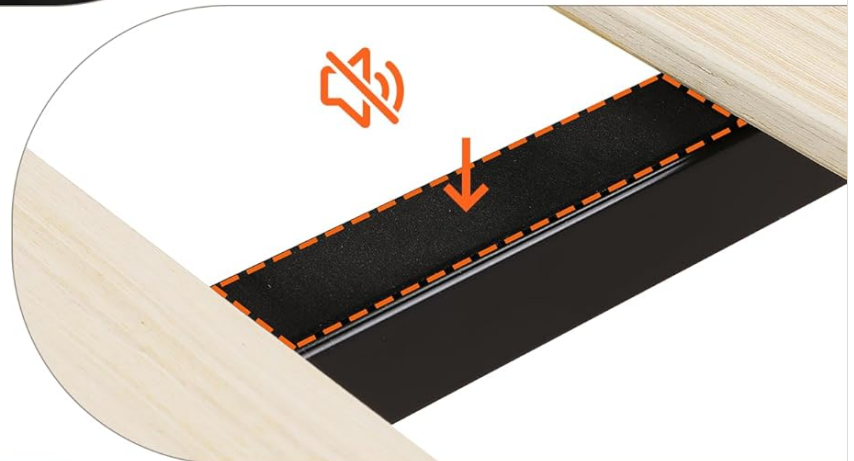

5. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward and can typically be completed within 20 minutes with the included tools. Follow the step-by-step instructions provided in the separate installation manual included in your package. Below are general guidelines and key features to note during assembly:

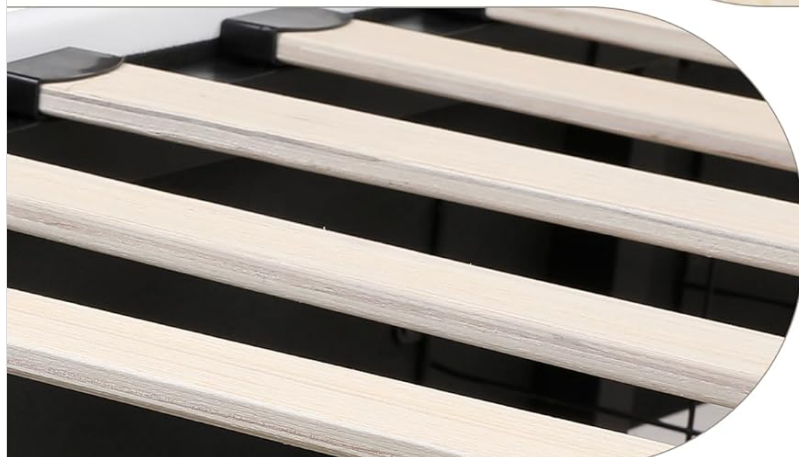

- Unpack and Identify Parts:** Lay out all components and hardware. Refer to the parts list in your manual to ensure everything is present.
- Assemble the Main Frame:** Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are tightened securely.
- Install Slats:** Place the solid wood slats onto the frame. The slats feature a**Stable Snap Lock** design for quick installation and **Noise-Free Strips** to prevent friction and squeaking, ensuring a quiet sleep.

-Stable Snap Lock-
Easy to assemble

-Noise-Free Strips-
Bring you a quiet sleep

-Strong Support Structure-
No box spring need

6. OPERATING INSTRUCTIONS

6.1. LED Lighting System

The bed frame features integrated LED lights on the headboard and footboard, controllable via a remote or app. These lights offer various modes to enhance your bedroom ambiance:

- **Multiple Colors:** Choose from a wide spectrum of colors to match your mood or decor.
- **Timing Function:** Set a timer for the lights to turn off automatically.
- **Music Mode:** The lights can change color and flash to the rhythm of music, creating a dynamic atmosphere.
- **Mic Mode:** Lights respond to sound detected by the microphone.

6.2. Charging Station

The headboard includes a convenient charging station with multiple ports:

- **USB Ports:** For charging various electronic devices.
- **Type-C Port:** For faster charging of compatible devices.
- The charging station is powered by a 6.5ft power cord.

6.3. Storage Drawers

The four large storage drawers are located under the bed frame. They are designed to be easily pulled out and pushed in on their quiet wheels. Use the integrated fixtures to keep the drawers securely in place when not in use, preventing them from sliding out unintentionally.

7. MAINTENANCE

To maintain the appearance and longevity of your HIFIT bed frame, follow these care instructions:

- **Cleaning:** Wipe the frame with a **dry cloth** to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners, which may damage the velvet upholstery or metal finish.
- **Velvet Care:** For spills on the velvet, gently blot with a clean, damp cloth. Do not rub. Allow to air dry.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **LED Lights:** Ensure the LED light strips are clean and free from obstructions. If a light strip malfunctions, contact customer support.

8. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not working or flickering	Loose connection, faulty power adapter, damaged LED strip.	Check all power connections. Ensure the remote control batteries are functional. If the issue persists, contact customer support for a replacement power adapter or LED strip.
Charging station not providing power	Power cord unplugged, faulty charging unit, device incompatibility.	Verify the bed frame's main power cord is securely plugged into a working outlet. Ensure the charging unit itself is not overheating. Test with different devices and cables. If the unit is hot to the touch or still not working, discontinue use and contact support.
Storage drawers do not slide smoothly or fall out	Wheels obstructed, drawers not properly assembled, fixtures not engaged.	Check for any obstructions under the bed or in the drawer wheels. Ensure the drawers were assembled correctly according to the manual. Verify that the anti-sliding fixtures are properly engaged to hold the drawers in place.
Bed frame feels unstable or squeaks	Loose screws, uneven assembly, damaged slats.	Inspect all bolted connections and tighten any loose screws. Ensure the bed frame is on a level surface. Check the slats for any damage; replace if necessary. The noise-free strips should prevent squeaking, ensure they are correctly installed.
Difficulty aligning screw holes during assembly	Parts misaligned, manufacturing defect.	Double-check that you are using the correct parts for each step and that they are oriented correctly. Sometimes, slightly loosening adjacent screws can help with alignment before tightening everything down. If a part appears defective, contact customer support.

9. WARRANTY AND SUPPORT

HIFIT is committed to providing quality products and excellent customer service. After receiving your package, please check whether all accessories are complete as described in the instructions. If you have any questions, concerns, or require assistance with your HIFIT King LED Bed Frame, our post-sale service team is available 24/7 to assist you. Please refer to your purchase documentation for specific warranty details. For support, visit the [HIFIT Store on Amazon](#) or contact us directly through your order page.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
