3. INITIAL SETUP

3.1. Inserting the SIM Card

1. Locate the SIM card tray on the side of your device.
2. Insert the SIM ejector tool into the small hole next to the tray and press firmly until the tray pops out.
3. Place your Nano-SIM card(s) into the designated slots on the tray, ensuring the gold contacts face downwards.
4. Carefully reinsert the tray into the phone.

3.2. Powering On/Off

- **To Power On:** Press and hold the Power button (located on the right side) until the HONOR logo appears.
- **To Power Off:** Press and hold the Power button, then select "Power off" from the options that appear on the screen.

- **To Restart:** Press and hold the Power button, then select "Restart" from the options.

3.3. Initial Configuration

The first time you power on your device, you will be guided through a setup wizard. Follow the on-screen instructions to:

- Select your language and region.
- Connect to a Wi-Fi network.
- Accept terms and conditions.
- Sign in to your Google account or create a new one.
- Set up screen lock (PIN, pattern, password, fingerprint, face unlock).
- Restore data from a previous device (optional).

4. OPERATING YOUR HONOR X9B 5G

4.1. Display Features

The HONOR X9b 5G features an advanced display designed for durability and visual clarity.

- **Ultra-Bounce Anti-Drop Curved AMOLED Display:** This display incorporates a three-level protection system for enhanced drop resistance across the screen, frame, and internal components.
- **Vivid Visuals:** Enjoy a 6.78-inch curved AMOLED display with a 120Hz refresh rate, 1200 nits peak brightness, and a 1200x2652 pixel resolution for clear and immersive viewing.
- **Eye Protection:** Features 1920Hz PWM Dimming, Dynamic Dimming, Circadian Night Display, hardware-level low blue light, and automatic brightness adjustment to reduce eye strain.

*Includes 8GB HONOR RAM Turbo

Image: An infographic explaining the five key eye protection features of the display, such as PWM Dimming and Circadian Night Display.

4.2. Battery Management

The device is equipped with a 5800mAh battery designed for extended usage.

- **Long-lasting Power:** The 5800mAh high-energy-density Li-Po battery provides significant talk time, standby time, and video playback.
- **Battery Longevity:** The battery is designed to retain over 80% of its health after 3 years and 1000 charging cycles.
- **Charging:** Use the provided USB cable for charging. While the device supports 30W charging, using a lower amperage charger (e.g., 1A) can help manage heat and potentially extend battery life, as noted by some users.

4.3. Camera Usage

Capture high-quality photos and videos with the versatile camera system.

- **Rear Camera System:**
  - **108MP Main Camera:** For detailed and high-resolution images. Supports 3x lossless zoom.
  - **5MP Ultrawide Camera:** Ideal for capturing broader scenes.

- **2MP Macro Camera:** For close-up shots of small subjects.

- **Front Camera:** A 16MP front camera for selfies and video calls.
- **Video Recording:** Supports 4K video recording.

4.4. Software Features (MagicOS 7.2)

The device runs on MagicOS 7.2, based on Android 13, offering a range of features for enhanced user experience.

- **Operating System:** MagicOS 7.2 powered by Android 13.
- **Processor:** Qualcomm Snapdragon 6 Gen 1 (4nm) chipset for efficient performance.
- **Memory & Storage:** 8GB RAM (expandable with RAM Turbo) and 256GB internal storage.
- **Magic Text:** A feature that allows text recognition in previews, enabling easy extraction of words.
- **Face Unlock:** Supports unlocking the device even with a face covering.

4.5. Connectivity

The HONOR X9b 5G supports various connectivity options:

- **Wireless:** Cellular (5G), Wi-Fi, Bluetooth, NFC.
- **Wired:** USB Type-C for charging and data transfer.
- **Navigation:** Built-in GPS.

5. MAINTENANCE AND CARE

Proper care ensures the longevity and optimal performance of your HONOR X9b 5G.

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body. Avoid harsh chemicals or abrasive materials.
- **Environmental Conditions:** Avoid exposing the device to extreme temperatures, direct sunlight for prolonged periods, or high humidity.
- **Software Updates:** Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements.
- **Battery Care:**

    - Avoid fully discharging the battery frequently.
    - Do not leave the phone charging for excessively long periods after it reaches 100%.
    - Use the provided or certified charging accessories.

6. TROUBLESHOOTING COMMON ISSUES

If you encounter problems with your device, refer to the following common solutions:

- **Device Not Powering On:**

  Ensure the battery is charged. Connect the device to a charger for at least 15 minutes, then try powering it on again. If it still doesn't turn on, perform a forced restart by holding the Power button for an extended period (e.g., 10-15 seconds).

- **Screen Unresponsive:**

  Try restarting the device. If the screen remains unresponsive, perform a forced restart. Ensure your hands are

clean and dry when interacting with the touchscreen.

- **Battery Draining Quickly:**

  Check background app usage and close unnecessary applications. Reduce screen brightness and disable features like Wi-Fi, Bluetooth, or GPS when not in use. Review battery usage in Settings to identify power-hungry apps. Consider using a 1A charger to manage heat during charging, which can impact battery health.

- **Connectivity Issues (Wi-Fi/Bluetooth/Cellular):**

  Toggle the respective connectivity option off and on. Restart your device. For Wi-Fi, try forgetting the network and reconnecting. For cellular, ensure your SIM card is properly inserted and your plan is active.

- **Overheating:**

  Avoid using the phone while charging, especially with fast chargers, as this can generate significant heat. Close demanding applications or games. Ensure the phone is not covered by a case that restricts heat dissipation. If overheating persists, reduce usage and allow the device to cool down.

- **Green Line Display Issue:**

  Some users have reported display issues, including green lines, potentially after software updates or due to heat management. While HONOR provides a warranty, it is recommended to keep your software updated, manage device heat, and avoid using non-standard charging accessories. If this issue occurs, contact HONOR customer support for assistance.

If these steps do not resolve your issue, please contact HONOR customer support for further assistance.

7. TECHNICAL SPECIFICATIONS

Feature	Specification
Operating System	MagicOS 7.2 | Android 13.0
Dimensions	16.4 x 7.6 x 0.8 cm
Weight	185 g
Model Number	ALI-NX1
Display	6.78-inch Curved AMOLED, 120Hz Refresh Rate, 1200 nits Peak Brightness, 1200x2652 pixels Resolution
Processor	Qualcomm Snapdragon 6 Gen 1 (4nm), 2.2 GHz CPU Speed
RAM	8 GB
Internal Storage	256 GB
Rear Camera	108MP (Wide) + 5MP (Ultrawide) + 2MP (Macro)
Front Camera	16MP
Battery Capacity	5800mAh
Talk Time	Up to 27 Hours
Connectivity	5G Cellular, Wi-Fi, Bluetooth, NFC, USB Type-C

Navigation	GPS
