Tribesigns 63-inch Farmhouse Dining Table User Manual

Model: jw0676dt

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Tribesigns 63-inch Farmhouse Dining Table (Model: jw0676dt). Please read these instructions thoroughly before assembly and retain them for future reference.

Important Safety Information

- Ensure all parts are present and undamaged before beginning assembly.
- Do not exceed the maximum weight capacity of 300 lbs (136 kg) on the tabletop.
- Assemble the table on a soft, clean surface to prevent scratches or damage.
- Periodically check and tighten all fasteners to maintain structural integrity.
- Keep small parts and packaging materials away from children.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

- Tabletop (1)
- Table Legs (2)
- Hardware Pack (screws, washers, Allen wrench) (1)
- Instruction Manual (1)

ASSEMBLY INSTRUCTIONS

Tools Required: Phillips head screwdriver (not included), Allen wrench (included).

1. **Unpack Components:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratching the table parts.
2. **Identify Parts:** Identify the tabletop and the two table legs. Locate the pre-drilled holes on the underside of the tabletop and on the top of each leg.
3. **Attach First Leg:** Align one table leg with the corresponding pre-drilled holes on the underside of the tabletop. Insert the screws from the hardware pack into the holes and partially tighten them with the provided Allen wrench. Do not fully tighten yet.
4. **Attach Second Leg:** Repeat step 3 for the second table leg, ensuring proper alignment with the tabletop.
5. **Secure All Connections:** Once both legs are loosely attached, ensure the table is level and all connections are aligned. Fully tighten all screws. Avoid overtightening to prevent damage to the wood.

6. **Position Table:** With assistance, carefully turn the assembled table upright. It is recommended to have two people for this step to prevent strain or damage.

OPERATING INSTRUCTIONS

The Tribesigns 63-inch Farmhouse Dining Table is designed to comfortably seat 4 to 6 people, making it suitable for family meals or gatherings.

- Ensure the table is placed on a flat, stable surface to prevent wobbling.
- Avoid placing excessively hot items directly on the tabletop. Always use coasters, placemats, or trivets to protect the surface from heat damage.
- Distribute weight evenly across the tabletop to maintain stability and prevent stress on the structure.
- This table can also function as a versatile desk for office work or study.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your dining table, follow these care instructions:

- **Cleaning:** Clean the tabletop and legs with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or water damage.
- **Protection:** Protect the surface from direct sunlight and extreme temperature changes, which can cause fading or warping.
- **Hardware:** Periodically check and retighten all assembly hardware to maintain structural integrity and prevent wobbling.

TROUBLESHOOTING

Table is wobbly after assembly.

- Ensure all screws are fully tightened. If wobbling persists, loosen all screws slightly, press down on the tabletop to ensure it's level, then retighten all screws evenly.

Scratches or minor damage to the surface.

- For minor scratches, a wood repair kit or furniture marker matching the walnut brown finish may be used. Consult a professional for significant damage.

Parts missing or damaged upon arrival.

- Contact Tribesigns customer service immediately for assistance with replacement parts.
