1. INTRODUCTION

Thank you for choosing the HIFIT Full LED Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Designed for comfort and convenience, this bed frame features integrated LED lighting, a charging station, and practical storage drawers, all within a sturdy metal and wood structure with elegant velvet upholstery and crystal button tufting.

Please read this manual thoroughly before beginning assembly and retain it for future reference.

2. SAFETY INFORMATION

- **Weight Capacity:** Do not load more than 800 lbs (362 kg) onto the bed frame. Exceeding this limit may cause damage to the frame and potential injury.
- **Electrical Safety:** To avoid electrical hazards, always unplug the charging station when not in use and keep it away from water. Ensure all electrical connections are secure and dry.
- **Assembly:** Follow all assembly instructions carefully. Do not skip steps or use unauthorized parts. Ensure all bolts and screws are tightened securely before use.
- **Placement:** Place the bed frame on a flat, stable surface. Avoid placing it near heat sources or in areas with excessive moisture.
- **Children:** Keep small parts and packaging materials away from children during assembly.
- **Maintenance:** Regularly check all connections and components for tightness and wear. Address any issues promptly.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present in your package:

- Headboard (with integrated LED lights and charging station)

- Footboard
- Side Rails
- Slats and Slat Supports
- 2 Storage Drawers (with wheels and fixtures)
- Hardware Pack (screws, bolts, washers, Allen wrench)
- Installation Manual
- LED Remote Control

If any parts are missing or damaged, please contact customer support immediately.

Color	Beige
Special Features	LED Lights, USB Charging Ports, Storage Drawers, No Box Spring Needed
Maximum Weight Recommendation	800 Pounds (362 kg)
Compatible Mattress Size	8-12 inches (20-30 cm) height recommended
Assembly Required	Yes (Instructions Included)
Item Weight	111.1 Pounds (50.4 kg)

5. SETUP & ASSEMBLY

The HIFIT Full LED Bed Frame is designed for straightforward assembly. All necessary tools and instructions are included in the package. Assembly typically takes approximately 20 minutes with two people.

5.1 General Assembly Overview

Figure 5.1: Overall dimensions and key components of the HIFIT Full LED Bed Frame.

Refer to the detailed step-by-step instructions provided in the separate 'Installation Manual' included in your package. Ensure you have ample space and follow each step carefully to ensure proper and safe assembly.

5.2 Sturdy Support Structure

Figure 5.2: Detail of the metal frame, wooden slats, and noise-free strips ensuring a stable and quiet foundation without a box spring.

The bed frame features a sturdy metal structure with solid wood slats, designed to support your mattress directly without the need for a box spring. The slats are equipped with stable snap locks for easy assembly and noise-free strips for a quiet sleep experience.

6. OPERATING INSTRUCTIONS

6.1 LED Lighting System

Figure 6.1: The LED lighting system can be controlled via remote or app, offering multiple colors, timing functions, and music sync modes.

Your bed frame is equipped with LED light strips on both the headboard and footboard. These lights can be controlled using the included remote control or a compatible mobile application.

- **Power On/Off:** Use the 'ON' and 'OFF' buttons on the remote.
- **Color Selection:** Choose from multiple colors using the color buttons on the remote or the color wheel in the app.
- **Brightness Adjustment:** Adjust the light intensity using the brightness controls.
- **Mode Selection:** Select various lighting modes, including static, flashing, fading, and music sync modes. In music sync mode, the lights will change and flash to the rhythm of music played in the room.
- **Timing Function:** Set timers for the lights to automatically turn off.

6.2 Integrated Charging Station

Figure 6.2: The headboard features a convenient charging station with multiple USB ports and a Type-C port, along with a shelf for devices.

The headboard includes a built-in charging station with 3 USB ports and 1 Type-C port, powered by a 6.5-foot power cord. This allows you to conveniently charge your mobile phone, tablet, or other electronic devices while relaxing in bed. The headboard also provides a shelf for placing your devices.

6.3 Storage Drawers

Convenient Storage and Charging

Figure 6.3: The bed frame includes two large storage drawers on high-quality quiet wheels for easy access and ample storage space.

The bed frame comes with two large storage drawers, one on each side, providing ample space for storing bed sheets, books, toys, or other items. These drawers are equipped with high-quality quiet wheels for smooth pulling and pushing, and fixtures are designed to hold them in place to prevent accidental sliding.

6.4 Headboard Design

Crystal Upholstered & Wingback Headboard

Bring a chic feel to your bedroom

Figure 6.4: The handcrafted crystal button tufting and high-end velvet fabric of the wingback headboard.

The headboard features handcrafted diamond tufting with high-quality crystals and is upholstered in soft velvet fabric. The wingback design provides extra height and width, not only enhancing the aesthetic but also helping to protect the mattress from moving.

7. MAINTENANCE

- **Cleaning:** Wipe the bed frame surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the velvet upholstery or finish.
- **Dusting:** Regularly dust the headboard and frame to prevent buildup.
- **Fasteners:** Periodically check all bolts, screws, and connections to ensure they remain tight. Re-tighten if necessary.
- **Electrical Components:** Ensure the charging station and LED lights are free from dust and debris. Unplug the charging station when not in use.

- **Drawers:** Keep the drawer tracks clean to ensure smooth operation.

8. TROUBLESHOOTING

If you encounter any issues with your HIFIT Full LED Bed Frame, please refer to the following common solutions:

- **LED Lights Not Working:**
 - Ensure the power cord for the LED lights is securely plugged into a working outlet.
 - Check the remote control batteries and replace if needed.
 - Verify that the LED strip connection to the power source is secure.
- **Charging Station Not Functioning:**
 - Confirm the bed frame's main power cord is plugged in and receiving power.
 - Ensure your device's charging cable is properly connected to both the USB/Type-C port and your device.
 - Test with a different device or cable to rule out a faulty accessory.
- **Bed Frame Squeaks or Wobbles:**
 - Check all assembly bolts and screws and tighten any that are loose.
 - Ensure the bed frame is placed on a level surface.
 - Verify that all slats are correctly seated in their supports.
- **Drawers Not Sliding Smoothly:**
 - Check for any obstructions in the drawer tracks or under the bed.
 - Ensure the drawer wheels are clean and free of debris.
 - Verify the drawers are correctly aligned within their designated space.

If these steps do not resolve the issue, please contact HIFIT customer support for further assistance.

9. WARRANTY AND SUPPORT

HIFIT is committed to providing quality products and excellent customer service. If you have any questions, concerns, or require assistance with your bed frame, please do not hesitate to contact our post-sale service team.

Our support team is available 24/7 to assist you with any inquiries regarding assembly, missing parts, or product functionality. Please have your model number (080) and purchase information ready when contacting support to ensure a swift resolution.
