

HIFIT 083

HIFIT Full LED Bed Frame Instruction Manual

Model: 083

1. GENERAL INFORMATION

1.1 Product Overview

The HIFIT Full LED Bed Frame (Model 083) is a versatile upholstered platform bed designed for comfort and functionality. It features a handcrafted crystal button wingback headboard, integrated LED lighting, a convenient charging station, and four storage drawers. The sturdy metal frame eliminates the need for a box spring.

1.2 Safety Information

- Do not exceed the maximum weight capacity of 800 lbs.
- Be cautious of sharp edges on the headboard and footboard during assembly and use.
- Ensure all screws and connections are tightened securely before use.

2. SETUP AND ASSEMBLY

The full bed frame comes in a single box and includes all necessary tools and instructions for assembly. It is recommended to have two people for assembly. Please follow the steps below for proper installation.

2.1 Preparation

- Unpack all components and verify against the parts list in your manual.
- Lay out all parts on a soft, clean surface (e.g., a carpet) to prevent scratches.

2.2 Assembly Steps

Refer to the detailed assembly video for a visual guide. The video demonstrates the step-by-step process for assembling the bed frame, including connecting the side rails, installing the center support, and attaching the headboard and footboard.

Video: Step by Step Assembly for SIBEDS LED Bed Frame. This video provides a comprehensive guide to assembling your bed frame.

Key Assembly Points:

- **Headboard and Footboard Connection:** Securely attach the headboard and footboard to the side rails using the provided hardware.
- **Slat Installation:** Place the solid wood slats across the frame. The stable snap lock design ensures quick installation and noise-free support.
- **Drawer Assembly:** Assemble the four storage drawers. These drawers are designed to slide under the bed and are not on tracks, allowing for flexible placement.
- **USB Port Installation:** The USB ports are integrated into the headboard. Ensure the wiring is correctly connected during assembly.

3. OPERATING INSTRUCTIONS

3.1 LED Light Operation

The bed frame features integrated LED lights on the headboard and footboard. These lights can change color and flash to the rhythm of music, offering various ambiance options. Use the provided remote control or a compatible app to adjust settings.

Image: The LED lights can sync to music beats, offering multiple colors, timing functions, and music/mic modes, controllable via app or remote.

3.2 Charging Station Usage

The headboard includes a built-in charging station with 2 USB ports (5V/2A) and a 6.5-foot power cord. This allows convenient charging of mobile devices directly from your bed.

CONVENIENCE FOR CHARGING

2 USB Ports: 5V/2A
6.5 Feet Power Cord

4. MAINTENANCE

To maintain the quality and appearance of your HIFIT bed frame, follow these simple care instructions:

- **Cleaning:** Wipe the upholstered surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Tightening:** Periodically check and tighten all screws and connections to ensure the frame remains stable.

5. TROUBLESHOOTING

- **Screws not fitting/aligning:** During assembly, ensure components are correctly oriented. If a screw does not fit, do not force it. Re-check the manual for the correct part and orientation. Some users have reported minor manufacturing variations; if issues persist, contact customer support.
- **LED lights not working:** Check all wire connections for the LED strip and ensure the power adapter is securely plugged into a working outlet. Verify the remote control batteries.

- **USB ports not charging:** Ensure the bed frame's power cord is plugged into a live outlet. Check the connection of the USB module within the headboard.
- **Drawers not sliding smoothly:** The drawers are not on tracks and are designed to be pulled out manually. Ensure the wheels are clean and free of obstructions.

6. SPECIFICATIONS

Feature	Detail
Size	Full
Product Dimensions	79.1"L x 55.7"W x 54"H
Special Features	Lighted, No Box Spring Needed, Storage Drawer, USB Port
Color	Black
Material	Faux Leather, Metal, Wood
