

HIFIT 081

HIFIT Queen LED Bed Frame Instruction Manual

Model: 081 | Brand: HIFIT

1. PRODUCT OVERVIEW

The HIFIT Queen LED Bed Frame is a multi-functional platform bed designed for comfort and convenience. It features integrated LED lighting, a built-in charging station, and four spacious storage drawers. The bed frame is constructed with a sturdy metal structure and solid wood slats, eliminating the need for a box spring. Its design includes a velvet upholstered wingback headboard adorned with handcrafted crystal button tufting.

2. IMPORTANT SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use.

- Do not exceed a weight limit of 900 lbs.
- Be cautious of sharp edges on the headboard and footboard during assembly and use.
- Always follow assembly instructions carefully to prevent instability or collapse of the bed frame.
- Ensure all connections for the LED lights and charging station are secure before use.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The bed frame is shipped in one box.

- Headboard (with integrated LED lights and charging station)
- Footboard (with integrated LED lights)
- Side Rails
- Slats (solid wood)
- 4 Storage Drawers (with quiet wheels and anti-slide fixtures)
- Assembly Hardware (screws, bolts, nuts, etc.)
- Installation Manual
- Necessary Tools for Assembly
- LED Remote Control

4. SETUP AND ASSEMBLY

Assembly is required for this bed frame. It is recommended to have two people for assembly. Follow the step-by-step instructions provided in the included Installation Manual. Assembly typically takes approximately 20 minutes.

4.1 Preparation

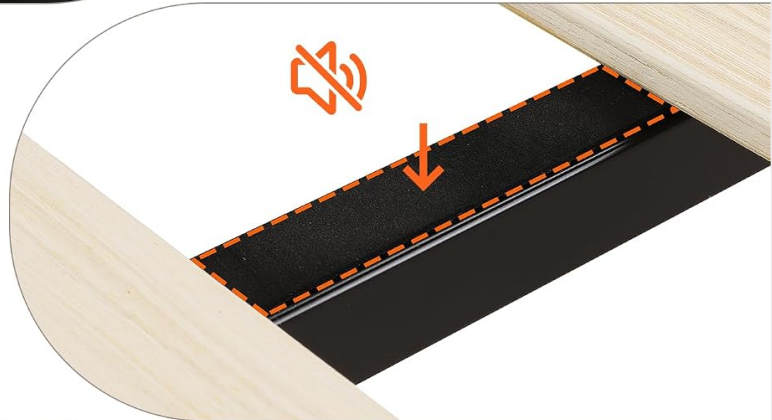

- Clear an open space for assembly.
- Unpack all components and lay them out on a soft, clean surface to prevent scratches.
- Identify all parts and hardware using the Installation Manual's parts list.

4.2 Assembly Steps (General Outline)

1. Assemble the four storage drawers. Ensure the quiet wheels are properly attached and the anti-slide fixtures are in place.
2. Attach the side rails to the headboard and footboard.
3. Install the solid wood slats onto the bed frame. Ensure the stable snap locks are engaged and noise-free strips are correctly positioned for a quiet sleep experience.
4. Connect the power cords for the LED lights and charging station.
5. Place the assembled drawers under the bed frame.

-Stable Snap Lock-
Easy to assemble

-Noise-Free Strips-
Bring you a quiet sleep

-Strong Support Structure-
No box spring need

5. OPERATING INSTRUCTIONS

5.1 LED Lighting System

The bed frame features integrated LED lights on both the headboard and footboard. These lights can be controlled via a remote control or a mobile application (if applicable, refer to the manual for app details).

- **Color Change:** Select from multiple colors to set the ambiance of your room.
- **Music Sync Mode:** The lights can flash and change color to the rhythm of music, creating a dynamic environment.
- **Timing Function:** Set a timer for the lights to turn off automatically.
- **Mic Mode:** Lights can respond to sounds detected by a microphone (if available on the remote/app).

Image 5.1: The LED lights can sync to music beats, offering multiple color options, a timing function, and various modes for customization.

5.2 Charging Station

The headboard is equipped with a charging station, providing convenient access to power for your electronic devices.

- **USB Ports:** Features 2 USB ports (5V/2A) for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is powered by a 6.5-foot power cord.
- Ensure the power cord is securely plugged into a functional wall outlet.

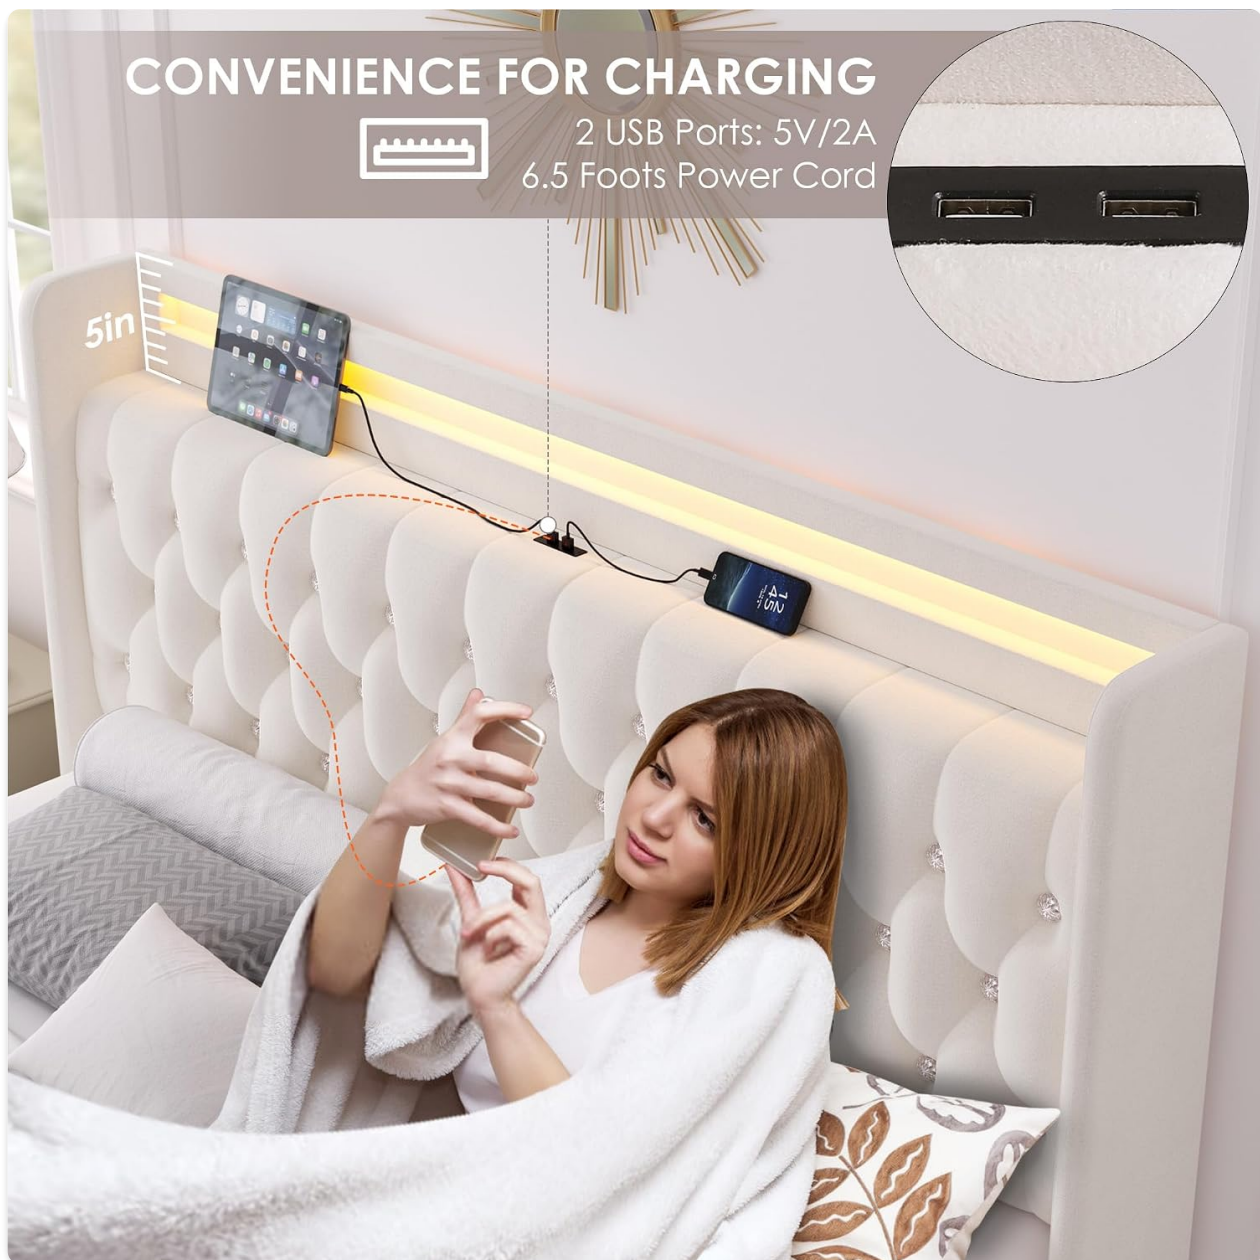

Image 5.2: The integrated charging station provides two USB ports for convenient device charging directly from the headboard.

5.3 Storage Drawers

The bed frame includes four pull-out storage drawers located beneath the bed, offering additional space for organizing bedroom items.

- **Easy Access:** The drawers are designed with high-quality quiet wheels for smooth and easy pulling.
- **Stability:** Fixtures are included to hold the drawers in place and prevent unwanted sliding.
- To open, gently pull the drawer outwards. To close, push it back until it aligns with the bed frame.

Image 5.3: The four storage drawers feature high-quality quiet wheels for smooth operation and internal fixtures to prevent them from sliding out unintentionally.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your HIFIT bed frame.

- **Cleaning:** Wipe the bed frame surfaces with a dry cloth. For velvet upholstery, use a soft brush or vacuum with an upholstery attachment to remove dust and debris. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** For spills on the velvet, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, consult a professional upholstery cleaner.
- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Tighten if necessary to maintain stability.
- **Electrical Components:** Keep the USB ports and LED light strips free from dust and moisture. Do not attempt to repair electrical components yourself.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your bed frame.

7.1 LED Lights Not Working

- **Check Power Connection:** Ensure the LED light power cord is securely plugged into a functional wall outlet and the connection to the bed frame is firm.
- **Remote Control:** Verify that the remote control has working batteries and is pointed directly at the receiver. Try replacing the batteries.
- **App Control:** If using an app, ensure your device is properly paired and the app is updated.
- **Cable Integrity:** Inspect the LED light strips and their cables for any visible damage or loose connections.

7.2 Charging Station Not Functioning

- **Power Source:** Confirm the bed frame's main power cord is plugged into a live electrical outlet.
- **USB Cable:** Try a different USB cable and device to rule out issues with your charging cable or device.
- **Port Cleanliness:** Ensure the USB ports are free of dust or debris.

7.3 Bed Frame Instability or Squeaking

- **Tighten Hardware:** Re-check and tighten all screws, bolts, and connections, especially those connecting the side rails to the headboard and footboard.
- **Slat Placement:** Ensure all slats are correctly positioned and fully engaged in their snap locks. Verify that noise-free strips are intact.
- **Level Surface:** Make sure the bed frame is on a flat, level surface. Adjust leg levelers if available.

7.4 Drawers Not Sliding Smoothly

- **Wheel Inspection:** Check the quiet wheels on the bottom of the drawers for any obstructions or damage. Clean if necessary.
- **Alignment:** Ensure the drawers are properly aligned within the bed frame's opening.
- **Overloading:** Avoid overloading the drawers, as this can hinder smooth operation.

If you encounter issues not covered here or require further assistance, please contact HIFIT customer support.
