4D Build 6070854

4D Build Marvel Captain America Shield 3D Model Kit Instruction Manual

1. Introduction

This manual provides comprehensive instructions for assembling and maintaining your 4D Build Marvel Captain America Shield 3D Model Kit. This kit allows you to construct a detailed replica of Captain America's iconic shield, designed for display.

What's Included:

- 14 sheets with 101 detailed punch-out pieces
- Easy-assembly instructions
- Display stand components

Note: No glue or additional tools are required for assembly.

2. Safety Information

Please read and understand all safety information before beginning assembly.

- **Age Recommendation:** This product is recommended for ages 12 years and up.
- **Small Parts:** The kit contains small parts which may pose a choking hazard. Keep away from young children.
- **Sharp Edges:** Exercise caution when punching out pieces, as some edges may be sharp.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger users.

3. Setup and Assembly

Follow these steps to assemble your Captain America Shield 3D Model Kit. Refer to the included instruction sheets for detailed diagrams.

Preparation:

1. Unpack all components from the box.

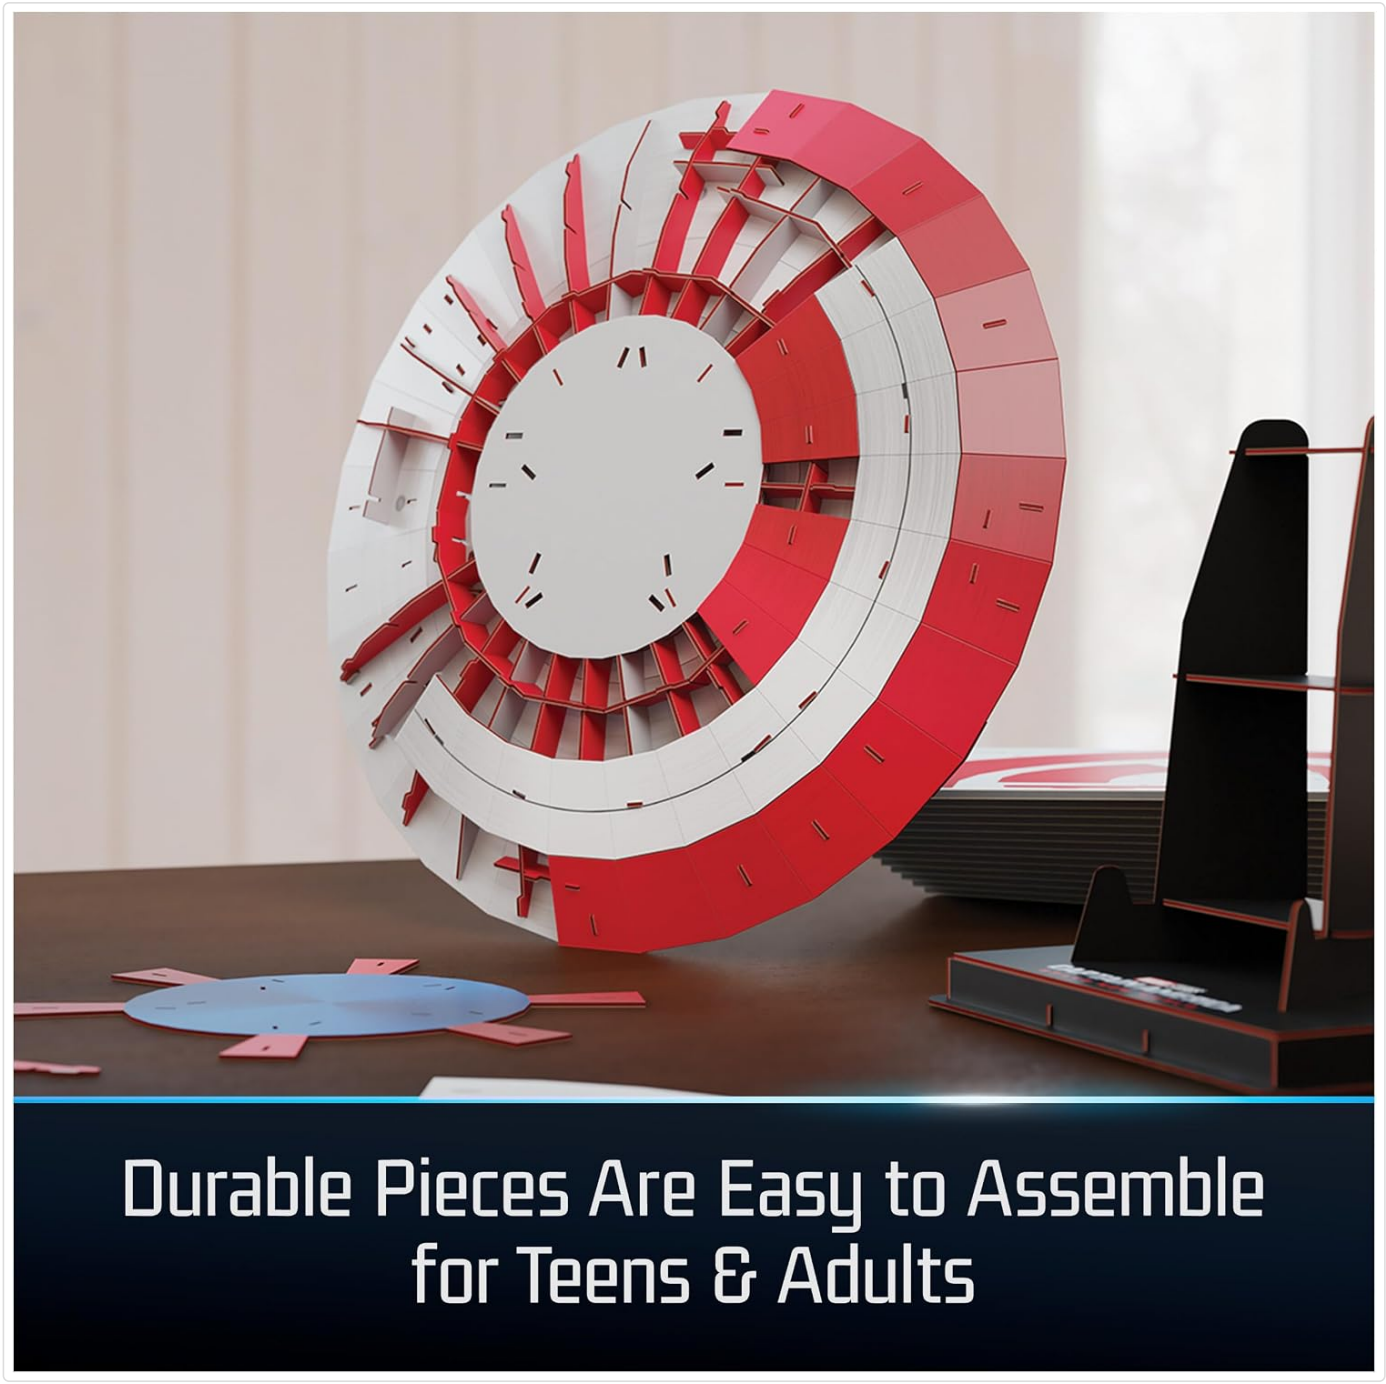

2. Lay out the 14 sheets of punch-out pieces on a clean, flat surface.
3. Familiarize yourself with the instruction sheets provided.

Assembly Steps:

1. Carefully punch out each piece from the sheets. Ensure not to tear or bend the pieces.
2. Identify the corresponding slots and tabs on each piece.
3. Begin assembling the core structure of the shield by interlocking the designated pieces as shown in the instructions.
4. Continue adding layers and details, ensuring each tab is securely inserted into its slot.
5. Assemble the display stand separately according to its specific instructions.
6. Once the shield is fully assembled, carefully place it onto the constructed display stand.

4. Displaying Your Model

Once assembled, your 4D Build Captain America Shield is designed for display. The included stand provides a stable base for showcasing your completed model.

- Place the assembled shield securely on the display stand.
- Choose a flat, stable surface for display to prevent accidental falls.
- Avoid direct sunlight or extreme temperatures to preserve the model's integrity.

5. Care and Maintenance

To ensure the longevity and appearance of your 4D Build model, follow these care instructions:

- **Cleaning:** Gently dust the model with a soft, dry cloth. Avoid using abrasive cleaners or liquids, as these may damage the material or finish.
- **Storage:** If disassembling for storage, do so carefully to avoid bending or tearing pieces. Store in a dry, cool place away from direct sunlight and humidity.
- **Handling:** Handle the assembled model by its base or sturdy sections to prevent damage to delicate parts.

6. Troubleshooting

If you encounter any issues during assembly or with your completed model, refer to the following common solutions:

Problem	Solution
Pieces do not fit together easily.	Ensure you are using the correct pieces for the current step. Gently align tabs with slots; do not force them. Refer to the instruction diagrams.
A piece is bent or damaged.	If minor, try to gently reshape it. For significant damage, contact customer support for possible replacement parts.
Missing pieces.	Double-check all sheets and packaging. If still missing, contact customer support with your product details.
Model is unstable on the stand.	Ensure the display stand is correctly assembled and placed on a flat, level surface. Verify the shield is properly seated on the stand.

7. Specifications

- **Model Name:** Marvel Captain America Shield 3D Model Kit
- **Model Number:** 6070854
- **Brand:** 4D Build
- **Manufacturer:** Spin Master
- **Number of Pieces:** 101
- **Assembled Dimensions (approx.):** 16 in x 7 in x 17 in (40.8 cm x 18 cm x 43.2 cm)
- **Item Weight:** 2.31 pounds
- **Recommended Age:** 12 years and up
