4D Build 6070857

4D Build Star Wars Mandalorian Helmet 3D Model Kit

Instruction Manual - Model: 6070857

Introduction

Thank you for choosing the 4D Build Star Wars Mandalorian Helmet 3D Model Kit. This kit allows you to construct a detailed, film-accurate replica of the Mandalorian helmet using durable cardstock pieces. Designed for enthusiasts aged 12 and up, this model is perfect for display and adds an authentic touch to any Star Wars collection or home decor.

What's Included

Your 4D Build Mandalorian Helmet kit contains everything you need for assembly:

- 6 Cardstock Sheets with 88 punch-out pieces
- 1 Tube of Glue
- 1 Display Stand
- Instruction Manual

Image: The six sheets of punch-out pieces and the included tube of glue.

Assembly Instructions

No special tools are required for assembly. Follow these steps carefully to build your Mandalorian Helmet:

1. **Preparation:** Carefully punch out all 88 pieces from the 6 cardstock sheets. Organize them by number or shape to make the assembly process smoother.
2. **Follow the Manual:** Refer to the included instruction manual for step-by-step visual guides. Each piece is numbered, and the manual illustrates how they connect.
3. **Connecting Pieces:** Interlock the pieces using the tabs and slots provided. Apply a small amount of the included glue to secure connections where indicated in the instructions or if you desire a more permanent bond. Allow sufficient drying time for the glue.
4. **Building the Structure:** Begin by assembling the core structure of the helmet, then gradually add the outer layers and detailed components.
5. **Assembling the Stand:** Construct the display stand according to its specific instructions.
6. **Final Placement:** Once the helmet is fully assembled and the glue has dried, place it securely on its display stand.

Safety Information

- This product contains small parts and is not suitable for children under 3 years due to choking hazards.
- Adult supervision is recommended for younger users (12+).
- Use the included glue in a well-ventilated area. Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Keep the product away from open flames or heat sources.

Care and Maintenance

- To clean, gently wipe the model with a dry, soft cloth. Do not use liquid cleaners or abrasive materials.
- Avoid exposing the model to direct sunlight or extreme humidity, as this may cause fading or warping of the cardstock.
- Handle the assembled model with care to prevent damage to the interlocking pieces.

Troubleshooting

- **Pieces not fitting:** Ensure you are using the correct pieces as indicated by the numbers in the instruction manual. Some pieces may require gentle force to fit snugly.
- **Model unstable:** Double-check all connections to ensure tabs are fully inserted into their slots. Apply a small amount of glue to any loose connections for added stability.
- **Missing pieces:** In the rare event of missing pieces, please contact customer support.

Warranty and Support

For any questions, concerns, or support regarding your 4D Build Mandalorian Helmet 3D Model Kit, please refer to the contact information provided on the product packaging or visit the official 4D Build website. Keep your proof of purchase for any warranty claims.
