9. MAINTENANCE

To ensure the longevity of your DOOGEE T30 MAX tablet, follow these maintenance guidelines:

- Keep the device clean using a soft, dry cloth. Avoid abrasive materials or harsh chemicals.
- Protect the screen with the provided anti-explosion film.
- Avoid exposing the tablet to extreme temperatures, direct sunlight, or excessive moisture.
- Handle the tablet with care to prevent drops or impacts.
- Regularly clear unnecessary files and apps to maintain optimal performance.

10. TROUBLESHOOTING

If you encounter issues with your tablet, refer to the following common solutions:

- **Device not powering on:** Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again.
- **Screen unresponsive:** Try restarting the tablet by holding the power button for 10-15 seconds.
- **Apps crashing:** Clear the cache of the problematic app in Settings > Apps. If the issue persists, reinstall the app.
- **Slow performance:** Close unused apps, clear cache, and ensure sufficient storage space. Consider a factory reset as a last resort (back up your data first).
- **Connectivity issues (Wi-Fi/4G):** Toggle Wi-Fi/4G off and on. Restart your router or contact your service provider if the issue persists.

For further assistance, please contact customer support.
