6. CARE AND MAINTENANCE

Proper care will extend the life and maintain the appearance of your ACMEASE sofa. The premium faux leather is designed to be durable and easy to maintain.

- **Regular Cleaning:** Regularly wipe the faux leather surface with a dry, soft cloth to remove dust and light debris.
- **Spill Management:** For spills, blot immediately with a clean, damp cloth. Do not rub, as this can spread the stain. After blotting, dry the area thoroughly with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, abrasive cleaners, or solvents, as these can damage the faux leather.
- **Sunlight and Heat:** Keep the sofa away from direct sunlight and heat sources (e.g., radiators, fireplaces) to prevent fading, cracking, or material degradation.
- **Pet Care:** While the faux leather is not easily scratched, sharp pet claws can still cause damage. Consider using protective covers if pets frequently use the sofa.

- **Minor Surface Marks on Faux Leather:** For very minor surface marks, gently buff the area with a soft, dry
