## VINGLI xpwhite-2

# VINGLI Plastic Outdoor Dining Chairs Instruction Manual

Model: xpwhite-2

## INTRODUCTION

Thank you for choosing VINGLI Plastic Outdoor Dining Chairs. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new chairs. Please read these instructions carefully before use and retain them for future reference.

These chairs are designed for both indoor and outdoor use, featuring a weather-resistant plastic construction and an X-back design. They are stackable for convenient storage and have a sturdy structure to ensure long-lasting use.

## SETUP AND ASSEMBLY

Your VINGLI dining chairs are designed for easy assembly. All necessary hardware and an instruction manual are included. Assembly typically takes less than 20 minutes per chair.

### Required Tools:

- No additional tools are typically required as all necessary assembly tools are provided.

### Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components and hardware listed in the included manual are present.
2. **Attach Legs:** Securely attach the chair legs to the seat frame using the provided screws and Allen wrench. Ensure all connections are tight.

3. **Assemble Backrest:** Connect the backrest to the seat and legs. The X-back design should align with the pre-drilled holes. Fasten with the appropriate hardware.
4. **Final Tightening:** Once all parts are loosely assembled, gently place the chair on a flat surface and apply slight pressure to ensure even alignment. Then, fully tighten all screws. Do not overtighten.

## OPERATING INSTRUCTIONS

### Usage:

These chairs are suitable for both indoor and outdoor environments. Their waterproof and weather-resistant plastic construction makes them ideal for patios, dining rooms, kitchens, and event settings.

### **Stacking for Storage:**

The chairs are designed to be stackable for efficient storage. To stack, lift one chair and carefully place it on top of another, ensuring the legs interlock securely. This feature helps save space when the chairs are not in use.

# Size Specification

Image: VINGLI chairs stacked neatly in a kitchen, demonstrating their space-saving feature.

## Weight Capacity:

Each chair has a maximum weight capacity of 400 lbs. Do not exceed this limit to ensure safety and product longevity.

## Higher Quality

Sturdy Design for 400 LBS Load-Bearing

4 Strong U-Shaped Bars

Rust-free Hardware

Premium Waterproof Plastic

## MAINTENANCE AND CARE

### Cleaning:

To clean the chairs, simply wipe them with a damp cloth. For stubborn stains, a mild soap solution can be used. Avoid abrasive cleaners or harsh chemicals, as these may damage the plastic surface.

# Ergonomic Structure

For Better Support

Curved Bars

X-Shaped Back

Wide Seat

## Storage:

When storing outdoors for extended periods, especially during harsh weather conditions, it is recommended to cover the chairs or store them in a sheltered area to prolong their lifespan.

## Hardware Check:

Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability and safety.

## TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|---------|----------------|----------|
|---------|----------------|----------|

| Problem                         | Possible Cause                   | Solution                                                                                                                                       |
|---------------------------------|----------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Chair feels wobbly or unstable. | Loose screws or uneven assembly. | Ensure all screws are fully tightened. Place the chair on a flat surface and apply gentle pressure before final tightening to ensure evenness. |
| Difficulty stacking chairs.     | Improper alignment.              | Ensure chairs are aligned correctly before attempting to stack. The legs should fit into the contours of the chair below.                      |
| Stains on plastic surface.      | Dirt or spills.                  | Wipe with a damp cloth and mild soap solution. Rinse thoroughly and dry.                                                                       |

## PRODUCT SPECIFICATIONS
