Hasuit Black Dresser with LED Lights and Charging Station User Manual

Model: DJ503290_1 | Brand: Hasuit

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your new Hasuit Black Dresser. Designed for modern living spaces, this dresser features ample storage, integrated LED lighting, and a convenient charging station. Please read this manual thoroughly before assembly and use to ensure proper functionality and safety.

2. SAFETY INFORMATION

To ensure safe use of your dresser, please adhere to the following guidelines:

- **Anti-Tipping Device:** It is crucial to install the included anti-fall device and secure the dresser to the wall. This prevents accidental tipping, which can cause serious injury, especially to children.
- **Electrical Safety:** When using the integrated charging station and LED lights, ensure the power cord is not pinched or damaged. Do not overload the outlets. Always use the red power button to turn the charging station off when not in use or before cleaning.
- **Weight Distribution:** Distribute weight evenly across the dresser top and within drawers. Avoid placing excessively heavy items on top or in drawers to prevent structural damage or tipping.
- **Children Safety:** Do not allow children to climb on or play with the dresser. Keep small parts and hardware out of reach of children during assembly.

Unique No Handle Design

3. COMPONENTS AND HARDWARE

Your Hasuit dresser package includes all necessary engineered wood panels, metal slide rails, the LED light strip, the charging station unit, and various assembly hardware (screws, dowels, cam locks, etc.). Before beginning assembly, carefully unpack all components and verify that all parts listed in the included assembly guide are present and undamaged. If any parts are missing or damaged, please contact customer support immediately.

4. SETUP AND ASSEMBLY

Assembly is required for this dresser. It is recommended that two adults perform the assembly due to the size and weight of the components (approximately 114.5 pounds). Follow the clear, step-by-step instructions provided in the separate assembly guide included with your package. All parts are individually packed and marked to facilitate easy identification

during the assembly process.

Ensure you have adequate space for assembly and that the area is clean and free of obstructions. Use the provided tools or your own appropriate tools as indicated in the assembly guide. Do not overtighten screws to avoid damaging the wood panels.

5. OPERATING INSTRUCTIONS

5.1. LED Lights Operation

The integrated RGB LED lights offer customizable ambiance for your room. You can control the lights using either the physical button located on the dresser or through a dedicated mobile application. The lights offer over 60,000 colors to choose from, adjustable brightness, and various dynamic modes including custom style, music sync, microphone sync, and a timing function.

5.2. Charging Station Usage

The top surface of the dresser features a built-in charging station for your electronic devices. It includes two standard AC outlets (12A/125V) and two USB ports (2A/5V). A 6.56-foot long power cord is provided for connection to a wall outlet. To activate the charging station, use the red power button. Always turn the power button off when the charging station is not in use or before cleaning.

5.3. Drawer and Storage Use

The dresser is equipped with six large capacity drawers, designed with high-quality metal slide rails for smooth and effortless opening and closing. The unique no-handle design allows for easy pull-out by gripping the top edge of the drawer front. Additionally, two open storage spaces are located on the top level, providing convenient access for frequently used items, books, or decorative displays.

6. MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your dresser:

- **Cleaning:** To clean the dresser surfaces, wipe with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Hardware Check:** Periodically check all assembly hardware (screws, bolts, etc.) to ensure they remain tight. Retighten if necessary to maintain structural integrity.
- **Environmental Conditions:** Avoid exposing the dresser to direct sunlight or extreme temperature changes, which can cause warping or fading.

7. TROUBLESHOOTING

If you encounter issues with your dresser, refer to the following common problems and solutions:

- **LED Lights Not Working:**
 - Ensure the dresser's power cord is securely plugged into a working electrical outlet.
 - Verify the red power button on the charging station is in the 'On' position.
 - If using the mobile app, check your device's Bluetooth connection and ensure the app is correctly paired with the LED lights.
- **Drawers Sticking or Not Closing Smoothly:**
 - Check for any obstructions within the drawer or along the metal slide rails.
 - Ensure the drawers are correctly aligned on their respective slide rails. Gently push the drawer in until it clicks into place on the rails if it feels loose.
 - Verify that all assembly screws for the drawer slides and drawer boxes are tightened.
- **Dresser Feels Unstable:**
 - Confirm that the anti-fall device is properly installed and securely anchored to a wall stud.
 - Check that all assembly hardware throughout the dresser is fully tightened.
 - Ensure the dresser is placed on a flat, level surface.

For issues not addressed in this section, please contact Hasuit customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	Hasuit
Model Name	6 Drawer Dresser
Item Model Number	DJ503290_1
Product Dimensions	15.8"D x 51.2"W x 36.8"H
