SETUP GUIDE

1. Attaching Your iPad

1. Gently align your iPad Air 13" with the magnetic back case.

2. The powerful magnets will automatically snap the iPad into place, ensuring a secure fit.
3. To detach, simply pull the iPad away from the magnetic connection.

2. Bluetooth Pairing

1. Ensure your keyboard case is charged.
2. Turn on the keyboard using the power switch (usually located on the side or back of the keyboard).
3. On your iPad, go to **Settings > Bluetooth**.
4. Turn on Bluetooth.
5. The keyboard will appear in the "Other Devices" list (e.g., "ESR Keyboard"). Tap on it to connect.
6. If prompted, enter the pairing code displayed on your iPad using the keyboard and press **Enter**.
7. Once connected, the keyboard status indicator will show a stable light, and it will appear as "Connected" on your iPad.

OPERATING INSTRUCTIONS

Keyboard Usage

The keyboard functions like a standard QWERTY keyboard. Utilize the function keys for quick access to iPad features such as volume control, media playback, and screen brightness.

Trackpad Usage

The multi-touch trackpad supports various gestures for intuitive navigation:

- **Single Finger Tap:** Click or select items.
- **Two Finger Scroll:** Scroll through documents or web pages.
- **Pinch to Zoom:** Zoom in or out on content.
- **Three Finger Swipe:** Switch between open applications or access the App Switcher.

Adjusting Viewing Angles

The magnetic stand allows for flexible adjustment of your iPad's viewing angle. Simply open the stand to your desired position. The "Raised screen view" provides an ergonomic angle for typing and extended use.

MAINTENANCE AND CARE

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the keyboard and case. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the keyboard case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Charging:** Charge the keyboard regularly to maintain battery health. Avoid fully depleting the battery frequently.
- **Handling:** Handle the case and keyboard with care to prevent damage from drops or impacts.

TROUBLESHOOTING

Problem	Solution
---------	----------

Problem	Solution
Keyboard not connecting via Bluetooth.	• Ensure the keyboard is powered on and charged. • Turn off and on Bluetooth on your iPad. • Forget the device in iPad Bluetooth settings and re-pair. • Restart both your iPad and the keyboard.
Trackpad not responding.	• Ensure the keyboard is connected via Bluetooth. • Check iPad settings for trackpad functionality. • Restart the keyboard and iPad.
Keys are not responding.	• Ensure the keyboard is connected and charged. • Clean around the keys to remove any debris. • Restart the keyboard and iPad.
iPad not securely attaching to the case.	• Ensure you have the correct iPad model for this case. • Check for any obstructions between the iPad and the magnetic surface.
