Maxi-Cosi Mico Luxe Infant Car Seat User Manual

Model: IC365GYQH

1. INTRODUCTION

This manual provides essential information for the safe and proper use, installation, and maintenance of your Maxi-Cosi Mico Luxe Infant Car Seat. Please read all instructions carefully before using the car seat and keep this manual for future reference.

The Maxi-Cosi Mico Luxe is designed for infants weighing 4 to 30 pounds and up to 32 inches in height, for rear-facing use only.

2. SAFETY INFORMATION

Always prioritize your child's safety. Adhere to all warnings and instructions provided in this manual and on the car seat labels.

2.1 Important Safety Guidelines

- Always install the car seat in the rear-facing position.
- Ensure the child meets the minimum weight (4 lbs) and maximum weight (30 lbs) and height (32 inches) requirements.
- Never place the car seat on a raised surface, such as a counter or table, when the child is in it.
- Always secure your child with the 5-point harness system.
- Do not use the car seat if it has been involved in a crash, even if there is no visible damage.
- Register your car seat to receive important safety notices and recalls.

2.2 ClimaFlow™ Technology

The car seat shell incorporates ClimaFlow™ technology, designed with ventilation to help maintain a comfortable temperature for your baby during travel.

Machine-washable and dryer-safe fabrics

for a quick clean

3. SETUP AND INSTALLATION

The Maxi-Cosi Mico Luxe offers intuitive installation options for secure placement in your vehicle.

3.1 Installing with the Stay-in-Car Base (LATCH System)

1. Position the stay-in-car base on the vehicle seat in the rear-facing orientation.
2. Extend the 1-click LATCH connectors from the base.
3. Attach the LATCH connectors to your vehicle's lower anchors until you hear a click, indicating a secure connection.
4. Press down firmly on the base and tighten the LATCH strap to remove any slack, ensuring the base is securely installed with minimal movement (less than 1 inch side-to-side or front-to-back at the belt path).
5. Adjust the base to one of the 3 available recline positions to achieve the correct recline angle for your infant, indicated by the level indicator on the base.

Compatible with select strollers

3.2 Installing Without the Base (Taxi-Mode)

For convenience when using the car seat in vehicles without a base (e.g., taxis), the Mico Luxe can be installed using the vehicle's seat belt.

- Place the car seat in the rear-facing position on the vehicle seat.
- Route the vehicle's lap and shoulder belt through the large, visible belt guides on the car seat.
- Buckle the seat belt and remove all slack, ensuring the car seat is tightly secured.

4. OPERATING THE CAR SEAT

4.1 Securing Your Child

1. Place your infant in the car seat.
2. Position the shoulder straps at or just below your child's shoulders.
3. Buckle the harness straps into the crotch buckle.
4. Tighten the harness until it is snug against your child's body. You should not be able to pinch any slack at the collarbone.
5. Ensure the chest clip is at armpit level.

The car seat includes removable infant head and lumbar inserts for extra plush padding, providing a comfortable and secure ride for newborns and smaller infants.

Side Impact Protection

4.2 Carrying the Car Seat

The Mico Luxe is designed with a contoured, ergonomic handle and a vegan-leather grip for comfortable carrying. It also features a 1-handed base-and-stroller release for ease of use.

4.3 Stroller Compatibility

The Maxi-Cosi Mico Luxe Infant Car Seat is compatible with select strollers, allowing for a seamless transition from car to stroller. Refer to your stroller's manual for compatibility and attachment instructions.

5. MAINTENANCE

Proper maintenance ensures the longevity and safety of your car seat.

5.1 Fabric Care (PureCosi™ Fabrics)

The Mico Luxe features PureCosi™ fabrics, which are fire-resistant and made without added fire retardants. All fabric car seat cushions are machine washable and dryer safe for easy cleaning.

- Remove all fabric components from the car seat shell.
- Machine wash on a gentle cycle with cold water.
- Tumble dry on low heat or air dry.
- Do not use bleach or harsh detergents.

Designed with ClimaFlow™ technology
to keep baby cool

5.2 Harness and Buckle Care

- Wipe harness straps with a damp cloth. Do not machine wash or submerge harness straps in water, as this can weaken the webbing.
- Clean the buckle by flushing it with warm water if it becomes sticky.

6. TROUBLESHOOTING

6.1 Common Issues

- **Car Seat Not Secure:** Ensure LATCH connectors are fully engaged or seat belt is tightened correctly. Check for proper recline angle.
- **Harness Difficult to Tighten/Loosen:** Check for twists in the harness straps. Ensure no fabric is obstructing the harness adjuster mechanism.
- **Buckle Sticking:** Clean the buckle as described in the Maintenance section.

If you encounter issues not covered here, please refer to the full product manual or contact Maxi-Cosi customer support.

7. SPECIFICATIONS

Feature	Detail
Product Dimensions	28.94 x 17.72 x 28.94 inches
Item Model Number	IC365GYQH
