# Learning Resources New Sprouts All-in-One Toolbox Instruction Manual

Model: LER9754

Brand: Learning Resources

## INTRODUCTION

The Learning Resources New Sprouts All-in-One Toolbox is an 18-piece play tool set designed for toddlers aged 2 years and up. This set encourages imaginative play and helps develop fine motor skills through engaging, hands-on activities. It includes a variety of chunky, toddler-safe tools made from soft, durable plastic, perfect for little hands to explore and learn.

Children can engage in various fix-it activities, fostering creativity and problem-solving skills. All components are designed for easy handling and safe play, making it an ideal addition to any preschool learning environment or home playroom.

## WHAT'S INCLUDED

Your New Sprouts All-in-One Toolbox includes the following 18 pieces:

- 1 x Toolbox
- 1 x Hammer
- 3 x Nails
- 1 x Wrench
- 3 x Bolts
- 3 x Hex nuts
- 3 x Boards (two-piece 'cuttable' boards)
- 1 x Circular saw
- 1 x Screwdriver
- 1 x Tape measure

Figure 1: All components of the New Sprouts All-in-One Toolbox.

## SETUP

The Learning Resources New Sprouts All-in-One Toolbox requires no assembly. All pieces are ready for immediate play straight out of the box. Simply unpack the toolbox and its contents, and your child can begin their pretend construction projects.

## OPERATING INSTRUCTIONS

This toolbox encourages open-ended imaginative play. Here are some ways your child can interact with the tools:

### Using the Circular Saw

The circular saw features a fun sound effect when used. Encourage your child to use the saw with the two-piece 'cuttable' boards to simulate cutting wood. This action helps develop hand-eye coordination and understanding of cause and effect.

## Circular saw includes fun wood-cutting sound effect!

*Figure 2: A child demonstrating the use of the circular saw.*

### **Hammering and Nailing**

Use the hammer to pound the included nails into the designated holes on the boards. This activity helps refine gross motor skills and introduces the concept of fastening.

**Discover fun fix-it actions—  
twist, hammer, measure and  
more!**

*Figure 3: A child demonstrating the use of the hammer and nails.*

### **Measuring with the Tape Measure**

The working tape measure can be extended and retracted, allowing children to practice measuring various objects around them. This introduces early concepts of length and measurement.

# All-in-One Toolbox

There's no project too tough for this all-in-one play tool set!

- Kids can join in the fix-it fun with chunky, toddler-safe tools made from soft, durable plastic!
- Discover fun tool surprises—there's a circular saw with a fun sound effect, a working tape measure, and more!
- All pieces store inside two-drawer toolbox for easy cleanup!

## 18-Piece set includes:

- 1 Toolbox
- 1 Hammer
- 3 Nails
- 1 Wrench
- 3 Bolts
- 3 Hex nuts
- 3 Boards
- 1 Circular saw
- 1 Screwdriver
- 1 Tape measure

Figure 4: The functional tape measure and other accessories.

## Screwing and Unscrewing

The screwdriver is designed to fit the included bolts, allowing children to practice twisting and turning motions. This activity enhances fine motor skills and hand-eye coordination.

## Wrenching

Use the wrench to interact with the hex nuts and bolts, simulating tightening and loosening actions. This further develops dexterity and understanding of tool functions.

## MAINTENANCE AND CARE

To ensure the longevity and cleanliness of your New Sprouts All-in-One Toolbox, follow these simple care instructions:

- **Cleaning:** Wipe all plastic components with a damp cloth and mild soap as needed. Rinse thoroughly and air dry. Do not immerse the circular saw in water due to its sound mechanism.
- **Storage:** All 18 pieces, including the tools and accessories, are designed to fit neatly inside the two-drawer toolbox for easy clean-up and compact storage. Ensure all pieces are dry before storing.

**All pieces store inside the two-drawer toolbox!**

## TROUBLESHOOTING

The New Sprouts All-in-One Toolbox is designed for durability and simple operation. Should you encounter any issues:

- **Circular Saw Sound:** If the circular saw's sound effect is not functioning, check for any obstructions in the mechanism. Ensure it is clean and dry.
- **General Play:** If a piece seems stuck or difficult to use, ensure it is being used as intended (e.g., screwdriver with bolts, hammer with nails). Avoid excessive force.

For persistent issues or concerns not addressed here, please refer to the Warranty and Support section for contact information.

## SPECIFICATIONS

- **Product Dimensions:** 9.5 x 7.7 x 9.3 inches
- **Item Weight:** 4.27 pounds
- **Country of Origin:** China

- **ASIN:** B0CSHRCWCM
- **Item Model Number:** LER9754
- **Manufacturer Recommended Age:** 24 months - 5 years
- **Language:** English
- **Manufacturer:** Learning Resources

Safety Information

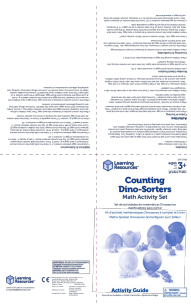

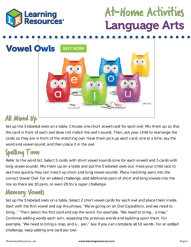

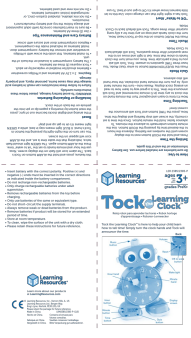

No specific safety warnings are applicable beyond general toy safety guidelines. This product is designed with child safety in mind, featuring chunky, durable, and BPA-free plastic components. Always supervise young children during play.
