Zinus 12 Inch Full Cooling Essential Memory Foam Mattress User Manual

Brand: Zinus | Model: ZU-MFMA1OZI-12F

1. PRODUCT OVERVIEW

The Zinus 12 Inch Full Cooling Essential Memory Foam Mattress is designed to provide a cool and comfortable sleep experience. It features ultra-breathable gel-infused Airflow Memory Foam to promote breathability and relieve pressure points, helping to maintain an optimal sleep temperature. The mattress is CertiPUR-US® certified, ensuring it is made without harmful chemicals, and comes with a 10-year limited warranty.

Key Features:

- **Cooling Sleep:** Top layer of ultra-breathable gel-infused Airflow Memory Foam for temperature regulation.
- **Pressure Relief:** Maximizes airflow while conforming to body shape, enhancing circulation and decreasing stress on joints.
- **Certified Safe Materials:** Made with CertiPUR-US® certified foam and an OEKO-TEX® certified cover, free from harmful chemicals.
- **Convenient Shipping:** Compressed, packed, and shipped in a smaller box for easier handling and reduced carbon footprint.
- **Medium Feel:** Offers a balanced level of softness and support.

2. SETUP INSTRUCTIONS

Your Zinus mattress is expertly compressed and rolled into a compact box for convenient shipping and easy setup. Please follow these steps to unbox and prepare your mattress for use:

1. **Unpack the Box:** Carefully open the shipping box and remove the rolled mattress.
2. **Position the Mattress:** Place the rolled mattress on your bed frame or foundation.
3. **Remove Plastic Packaging:** Carefully cut and remove the outer plastic wrapping. The mattress will begin to decompress immediately.
4. **Allow for Full Expansion:** Allow 24 to 72 hours for the mattress to fully expand to its original shape and firmness. During this time, it is normal for the mattress to appear slightly compressed or have a mild odor (off-gassing), which will dissipate.

The recipe for comfort

Figure 5: Visual representation of the mattress being unboxed from its compact packaging, emphasizing the ease of setup.

3. OPERATING INSTRUCTIONS

The Zinus Cooling Essential Memory Foam Mattress is designed for immediate use once fully expanded. Its medium firmness provides a balanced feel, suitable for various sleep positions.

Usage Tips:

- **Cooling Comfort:** The gel-infused Airflow Memory Foam actively works to dissipate heat, providing a cooler sleep surface throughout the night.
- **Pressure Point Relief:** The memory foam conforms to your body's natural curves, alleviating pressure on joints and promoting proper spinal alignment.
- **Motion Isolation:** Memory foam naturally absorbs motion, minimizing disturbances from a partner's movements.

4. MAINTENANCE

Proper care and maintenance will extend the life and performance of your Zinus mattress.

Cleaning Instructions:

- **Spot Clean Only:** For spills or stains, gently spot clean the affected area with a mild detergent and a damp cloth. Do not saturate the mattress.
- **Do Not Machine Wash:** The mattress cover is not designed for machine washing.

General Care:

- **Use a Mattress Protector:** To protect against spills, stains, and allergens, it is highly recommended to use a waterproof mattress protector.
- **Rotate Regularly:** Rotate your mattress 180 degrees every 3-6 months to ensure even wear and prolong its lifespan.
- **Provide Adequate Support:** Ensure your mattress is placed on a sturdy, supportive bed frame or foundation to prevent sagging and maintain comfort.

5. TROUBLESHOOTING

Here are some common questions and solutions regarding your new mattress:

- **Initial Odor (Off-gassing):** A new mattress may have a slight, harmless odor upon unboxing. This is normal and will dissipate within a few days in a well-ventilated room.
- **Incomplete Expansion:** If the mattress does not fully expand within 72 hours, ensure it is laid flat in a warm room. Cooler temperatures can slow down the expansion process.
- **Firmness Perception:** Mattress firmness is subjective. The Zinus Cooling Essential Memory Foam Mattress is designed with a medium feel. If it feels too firm initially, allow a few nights for your body to adjust and for the foam to fully settle.

6. SPECIFICATIONS

Feature	Detail
Product Dimensions	75"L x 54"W x 12"Th
Item Weight	51 Pounds
Item Model Number	ZU-MFMA1OZI-12F
