LACOKI ZJ-LWT2-T7H6

LACOKI 3-in-1 Silicone Makeup Brush Cleaner and Storage Holder

Model: ZJ-LWT2-T7H6

INTRODUCTION

Thank you for choosing the LACOKI 3-in-1 Silicone Makeup Brush Cleaner. This versatile tool is designed to simplify your makeup brush cleaning routine, offering effective cleaning, convenient drying, and organized storage. Made from durable, high-quality silicone, it is an essential accessory for maintaining hygiene and extending the life of your cosmetic brushes.

SAFETY INFORMATION

This product is intended solely for cleaning makeup brushes and beauty sponges. Do not use for purposes other than its intended function. Keep out of reach of children. Ensure the product is clean and dry before storing.

PACKAGE CONTENTS

- 1 x Silicone Makeup Brush Cleaning Bowl with textured surfaces
- 1 x Removable Hanger
- Integrated brush drying and storage holes

SETUP

The LACOKI 3-in-1 Silicone Makeup Brush Cleaner requires no assembly. It is ready for use directly out of the packaging. Ensure the cleaning bowl is placed on a stable, flat surface before use.

**Can be used as
storage rack
for makeup brush**

OPERATING INSTRUCTIONS

Follow these steps for effective cleaning, drying, and storage of your makeup brushes and beauty sponges:

1. **Prepare the Cleaning Solution:** Add a small amount of cleaning solution (e.g., brush cleanser, mild soap, or shampoo) and water into the silicone cleaning bowl.
2. **Clean Brushes and Sponges:** Gently rub your makeup brushes or beauty sponges against the various textured surfaces at the bottom of the bowl. The different protrusions are designed to effectively scrub away residual cosmetics. Rinse thoroughly under running water until clean.
3. **Drying Brushes:** After washing, insert the brush handles into the silicone holes located at the bottom of the cleaner. Brushes with a handle tip diameter up to 0.7 inches can be inserted into the holes for hanging. Larger brushes (over 0.7 inches diameter) can be placed inside the bowl to dry. Utilize the removable hanger to suspend the entire unit in a dry, well-ventilated area for air-drying.
4. **Storage:** Once brushes are completely dry, invert the cleaning bowl. The silicone holes on the bottom (now facing upwards) can be used as a convenient storage holder for your dried makeup brushes.

Procedure of use

1. Add clean solution

2. Clean brush and sponge

3. Hang in a ventilated area and let it air dry

MAINTENANCE

The LACOKI Silicone Makeup Brush Cleaner is designed for easy maintenance. After each use, rinse the bowl thoroughly with water to remove any residual cleaning solution or makeup. Allow it to air dry completely before storing. The silicone material is durable and can be cleaned with mild soap and water if needed.

TROUBLESHOOTING

- **Brushes not cleaning effectively:** Ensure you are using an appropriate cleaning solution and applying sufficient pressure while rubbing brushes against the textured surfaces.
- **Brushes not drying properly:** Make sure the cleaner is hung in a well-ventilated area. Avoid overcrowding the drying holes to allow for adequate airflow.
- **Product appears dirty:** Rinse the silicone bowl thoroughly after each use. For stubborn stains, use a mild soap and warm water.

SPECIFICATIONS

Brand	LACOKI
Model Number	ZJ-LWT2-T7H6
Material	Silicone
Color	Khaki
Item Weight	308 grams
Shipping Dimensions	14.5 x 14 x 8.71 cm
