

Yostyle Yo-Clock-touch

Yostyle Table Lamp with Alarm Clock Base User Manual

Model: Yo-Clock-touch | Brand: Yostyle

INTRODUCTION

The Yostyle Table Lamp with Alarm Clock Base is a multi-functional device designed to enhance your bedroom or living room. It combines a bedside lamp with an alarm clock, integrated USB and AC power outlets, an FM radio, and a speaker. The lamp features a square fabric lampshade and touch control for adjusting brightness, offering convenience and versatility.

PACKAGE CONTENTS

- Yostyle Table Lamp with Alarm Clock Base
- Power Adapter (integrated 6Ft Extension Cord)
- User Manual
- (Note: Bulb not included, requires E26 base)

SETUP

1. **Unpacking:** Carefully remove all components from the packaging.
2. **Bulb Installation:** Screw an E26 base bulb (not included) into the lamp socket.
3. **Placement:** Place the lamp on a stable, flat surface such as a bedside table or desk.
4. **Power Connection:** Plug the integrated 6-foot extension cord into a standard AC power outlet.
5. **Initial Power On:** The clock display will illuminate. Set the current time and any desired alarms as per the Operating Instructions.

OPERATING INSTRUCTIONS

Lamp Operation

- **Turning On/Off:** Touch any metal part of the lamp pole to turn the lamp on or off.
- **Brightness Adjustment:** Repeatedly touch the lamp pole to cycle through 3 brightness levels (Low, Medium, High).

Clock and Alarm Functions

- **Setting Time:** Refer to the buttons on the alarm clock base for time setting controls. Typically, a "Time Set" or "Clock" button is used in conjunction with "+" and "-" buttons.
- **Setting Alarms:** The unit supports dual alarms (AL1, AL2). Use the "Alarm Set" buttons to configure alarm times.
- **Snooze Function:** Press the "Snooze" button (often combined with "Sleep" or "Dimmer") for an additional 9 minutes of sleep.
- **Clock Display Brightness:** Adjust the clock display's brightness through 4 levels using the dedicated dimmer button.
- **Time Format:** The clock supports A/PM time format for clear visibility.

User Friendly Design

Multifunctional Lamp Keep your Desk Organized

Charging Ports

The lamp base includes multiple charging options:

- **1x USB-A Port:** 5V 1A output for standard device charging.
- **1x USB-C Port:** 5V 2.2A output for faster charging of compatible devices.
- **1x AC Power Outlet:** 1250W max output for plugging in other electrical appliances.

These charging ports function independently of the lamp's light being on or off.

compatible Speaker

Enjoy Your Favorite Music / Radio

MAINTENANCE

- **Cleaning:** Unplug the lamp before cleaning. Use a soft, dry cloth to wipe the lamp base and shade. Do not use liquid cleaners or abrasive materials.
- **Bulb Replacement:** Ensure the lamp is unplugged and the bulb is cool before replacing. Use only E26 base bulbs.
- **General Care:** Avoid placing the lamp in excessively humid environments or near heat sources. Do not expose to direct sunlight for prolonged periods.

TROUBLESHOOTING
