

Zinus ZU-MFMA1RZI-08Q

ZINUS 8 Inch Green Tea Essential Memory Foam Mattress (Queen) - User Manual

INTRODUCTION

This manual provides essential information for the setup, use, and care of your ZINUS 8 Inch Green Tea Essential Memory Foam Mattress, Queen size (Model: ZU-MFMA1RZI-08Q). Designed for comfort and support, this mattress features green tea-infused memory foam for freshness and CertiPUR-US® certified foams for safety.

SETUP INSTRUCTIONS

1. **Unpack the Mattress:** Carefully remove the mattress from its packaging. The mattress is compressed and rolled for convenient shipping.
2. **Position the Mattress:** Place the rolled mattress on a clean, flat surface, such as your bed frame or foundation. Ensure the bed frame provides adequate support; platform beds or a bunkie board are recommended.
3. **Unroll and Expand:** Unroll the mattress and carefully cut open the plastic wrapping. The mattress will begin to expand immediately.
4. **Allow Full Expansion:** For optimal comfort and to allow the mattress to reach its full 8-inch height, allow 24 to 72 hours for complete expansion. Temperature and humidity can affect expansion time.

USAGE GUIDELINES

The ZINUS Green Tea Essential Memory Foam Mattress is designed to provide a medium feel, offering a balance of support and comfort. Its breathable Airflow memory foam layer promotes air circulation,

contributing to a comfortable sleep environment. The green tea infusion helps maintain freshness.

- Ensure your bed frame or foundation provides adequate support to prevent sagging and maintain mattress integrity.
- The mattress is suitable for adult use, with a weight limit of 500 pounds.

The recipe for comfort

MAINTENANCE

Proper maintenance will extend the life and performance of your mattress.

- **Cleaning:** The mattress cover is **Spot Clean Only**. Use a mild detergent and a damp cloth to clean any spills or stains. Avoid saturating the mattress with water.
- **Protection:** It is highly recommended to use a mattress protector to shield against spills, stains, and allergens, preserving the mattress's condition.
- **Rotation:** While not strictly required, rotating your mattress 180 degrees every 3-6 months can help promote even wear and extend its lifespan.
- **Ventilation:** Ensure good air circulation around the mattress, especially if placed on a solid platform, to prevent moisture buildup.

TROUBLESHOOTING

- **Slow Expansion:** If the mattress does not fully expand within 72 hours, ensure it is in a well-ventilated room with a moderate temperature. Cooler temperatures can slow down the expansion process.
- **Initial Odor:** A new mattress may have a slight, harmless odor upon unboxing. This is normal and will dissipate within a few days in a well-ventilated area.
- **Perceived Firmness:** Mattress firmness is subjective. The ZINUS 8 Inch Green Tea Essential Memory Foam Mattress is designed for a medium feel. If you find it too firm or too soft, consider adjusting your bedding layers or foundation.

SPECIFICATIONS

Feature	Detail
Model Number	ZU-MFMA1RZI-08Q
Product Dimensions	80"L x 60"W x 8"Th (Queen)
Item Weight	41.1 pounds
