ZINUS ZU-MFMA1OZI-10T

ZINUS 10 Inch Twin Cooling Essential Memory Foam Mattress

Model: ZU-MFMA1OZI-10T
Brand: ZINUS

1. Product Overview

The ZINUS Cooling Essential Memory Foam Mattress is engineered for optimal comfort and temperature regulation. It features a top layer of ultra-breathable gel-infused Airflow Memory Foam designed to promote breathability and relieve pressure points. This mattress is crafted with CertiPUR-US® certified foam and an OEKO-TEX certified cover, ensuring safe materials for a healthier sleep environment.

Key features include:

- **Cooler Sleep:** Breathable cooling Airflow memory foam helps maintain a comfortable temperature.
- **Pressure Relief:** Conforms to body shape, enhancing circulation and reducing stress on joints.
- **Certified Safe Materials:** Made with CertiPUR-US® certified foam and OEKO-TEX certified cover, free from harmful chemicals.
- **Convenient Shipping:** Expertly compressed and shipped in a smaller box for easier delivery and reduced carbon footprint.

2. Setup Instructions

Your ZINUS mattress is compressed and rolled for convenient shipping. Follow these steps for proper setup:

1. **Unpack:** Carefully remove the mattress from its shipping box.
2. **Unroll:** Place the rolled mattress on a flat, clean surface, such as your bed frame or foundation. Carefully cut open the outer plastic wrapping.
3. **Expand:** Once unrolled, the mattress will begin to expand. Remove all remaining plastic packaging.
4. **Allow Full Expansion:** For optimal performance and to allow the mattress to fully decompress and reach its original shape and firmness, allow **24 to 72 hours** before regular use.

The new packaging design utilizes a smaller box, contributing to a reduced carbon footprint while maintaining the same product quality and comfort.

3. Operating Guidelines

The ZINUS Cooling Essential Memory Foam Mattress is designed to provide a comfortable and supportive sleep experience. Its layered construction works to optimize your rest:

- **Gel-Infused Memory Foam:** The top layer provides all-night cooling and pressure relief by maximizing airflow and conforming to your body's contours.
- **Zinus Base Foam™:** This foundational layer offers durable support, ensuring the longevity and stability of the mattress.
- **Breathable Knitted Cover:** The soft, breathable cover further enhances airflow, preventing overheating and contributing to a peaceful sleep.

The recipe for comfort

Plush — **Medium** — Firm

4. Maintenance

To ensure the longevity and hygiene of your ZINUS mattress, follow these simple maintenance guidelines:

- **Spot Clean Only:** In case of spills or stains, clean the affected area immediately using a mild detergent and a damp cloth. Do not saturate the mattress.
- **Avoid Harsh Chemicals:** Do not use harsh cleaning agents, bleach, or abrasive materials, as these can damage the mattress fabric and foam.
- **Protect from Moisture:** While the mattress is designed to be breathable, it is not waterproof. Consider using a mattress protector to guard against spills and moisture.
- **Rotate Regularly:** To promote even wear and extend the life of your mattress, rotate it head-to-foot every 3-6 months.

5. Troubleshooting

If you encounter any issues with your ZINUS mattress, consider the following common solutions:

- **Mattress Not Fully Expanded:** If your mattress has not reached its full dimensions, ensure it has had the recommended 24-72 hours to expand in a well-ventilated room. Cooler temperatures can slow expansion.
- **Initial Odor:** A slight, harmless odor (known as 'off-gassing') may be present upon unpacking. This is normal for foam products and typically dissipates within a few days in a well-ventilated area.
- **Firmness Perception:** Mattress firmness is subjective. If the mattress feels firmer than expected initially, allow a few nights of use for it to adapt to your body and for you to adjust to the new feel.

For persistent issues not covered here, please refer to the Support section.

6. Specifications

Detailed specifications for the ZINUS 10 Inch Twin Cooling Essential Memory Foam Mattress:

Feature	Detail
Product Dimensions	75"L x 39"W x 10"Th
Item Weight	31.5 pounds
Manufacturer	Zinus
Item Model Number	ZU-MFMA1OZI-10T
Refill Material	Memory Foam, High Density Foam
Number of Layers	3
Cover Material	Plush
Top Style	Tight Top
Weight Limit	250 Pounds
Special Feature	Breathable, Pressure Relief
Color	White
