2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure safe use and longevity of your mattress:

- Keep plastic packaging away from children to avoid suffocation risk.
- The mattress may contain materials that could cause allergic reactions in some individuals. If you experience any adverse reactions, discontinue use and consult a medical professional.
- Allow the mattress to fully expand before use. This typically takes 24-72 hours.
- Do not stand or jump on the mattress, as this can damage the internal structure and void the warranty.
- Ensure the mattress is placed on a stable and supportive bed frame.

3. PACKAGE CONTENTS

Your ZINUS 12 Inch Green Tea Essential Memory Foam Mattress package includes:

- 1 x ZINUS 12 Inch Green Tea Essential Memory Foam Mattress (compressed and rolled in a box)

4. SETUP INSTRUCTIONS

Your ZINUS mattress is conveniently shipped in a compact box. Follow these steps for proper setup:

1. **Prepare the Area:** Place the boxed mattress in the room where it will be used. Ensure you have enough clear space to unroll the mattress.
2. **Position the Box:** Carefully open the outer box.
3. **Remove from Box:** Take the rolled and compressed mattress out of the box.
4. **Unroll on Bed Frame:** Place the rolled mattress onto your bed frame or foundation. Ensure the bed frame provides adequate support for a foam mattress (e.g., a platform bed or a slatted base with slats no more than 3 inches apart). If using a traditional box spring, a bunkie board may be required for optimal support.
5. **Cut Plastic Packaging:** Carefully cut and remove the outer plastic wrapping. Avoid using sharp objects that could damage the mattress fabric. The mattress will begin to decompress immediately.
6. **Allow to Expand:** Allow 24 to 72 hours for the mattress to fully expand to its original shape and firmness. During this time, the mattress may have a slight, harmless odor, which will dissipate.

5. OPERATING INSTRUCTIONS

Once your ZINUS mattress has fully expanded, it is ready for use. No specific operational steps are required beyond ensuring it is placed on a suitable foundation.

- Ensure the mattress is placed on a flat, sturdy surface to maintain its structural integrity and provide consistent support.
- Regularly rotate the mattress (head to foot) every 3-6 months to promote even wear and extend its lifespan.

6. MAINTENANCE

Proper care will help maintain the quality and longevity of your ZINUS mattress:

- **Spot Clean Only:** For spills or stains, gently spot clean the affected area using a mild detergent and a damp cloth. Do not saturate the mattress with water or cleaning solutions.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, bleach, or abrasive cleaners, as these can damage the mattress fabric and foam.
- **Protect from Moisture:** Use a mattress protector to guard against spills, stains, and allergens.
- **Ventilation:** Ensure good air circulation around the mattress to prevent moisture buildup.

7. TROUBLESHOOTING

Here are solutions to common concerns you might encounter:

- **Mattress Not Fully Expanded:** Allow up to 72 hours for full expansion. Cooler temperatures can slow down the expansion process. Ensure the room temperature is moderate.
- **Initial Odor:** A new mattress may have a slight, harmless
