## Setup and Assembly

---

Follow these steps to assemble your GAOMON Kids Table and 2 Chairs Set. All necessary installation tools and instructions are included.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Table Legs:** Attach the adjustable height sections to the main table legs. Secure them using the provided screws.
3. **Attach Table Legs to Tabletop:** Securely fasten the assembled table legs to the underside of the tabletop. Ensure all connections are tight.
4. **Assemble Chair Frames:** Connect the chair leg assemblies to form the base of each chair.
5. **Attach Chair Seats and Backrests:** Mount the chair seats onto the chair frames, then attach the backrests. Ensure all screws are tightened for stability.
6. **Adjust Height:** Once assembled, adjust the table and chair heights to the desired levels using the adjustment mechanisms on the legs.

## Operating Instructions

The GAOMON Kids Table and 2 Chairs Set is designed for versatility and comfort.

- **Height Adjustment:** Both the table and chairs feature adjustable heights to accommodate children aged 2-10 years. The table has 7 height levels (18.9" to 23.6"), and the chair seats have 3 height levels (21.3" to 22.8"). To adjust, locate the adjustment pins on the legs, press them in, and slide the leg extension to the desired height. Ensure the pins click into place securely at each setting.
- **Graffiti Desktop:** The tabletop is designed for drawing and can be easily cleaned. Use watercolor pens or crayons for best results. Avoid oil-based pens as they may not be erasable.
- **Multi-functional Use:** This set is suitable for various activities including arts and crafts, reading, writing, playing games, and eating.

## Maintenance

Proper care will extend the life of your GAOMON Kids Table and 2 Chairs Set.

- **Cleaning:** The table and chairs feature a smooth, waterproof painted surface. For general cleaning, wipe with a damp cloth. For tougher marks on the graffiti desktop, use a wet cloth. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Storage:** Store the set in a dry environment away from direct sunlight and extreme temperatures to prevent material degradation.

## Troubleshooting

If you encounter any issues with your GAOMON Kids Table and 2 Chairs Set, refer to the following

common solutions:

- **Instability:** If the table or chairs feel wobbly, check that all assembly screws are fully tightened. For the table, utilize the foot spinner on the legs to cope with uneven ground and achieve better stability.
- **Difficulty Adjusting Height:** Ensure the adjustment pins are fully depressed before attempting to slide the leg extensions. If resistance is met, check for any obstructions or debris in the adjustment mechanism.
- **Stains on Desktop:** If marks from non-recommended pens (e.g., oil pens) are present, they may be difficult to remove. Test a small, inconspicuous area with a mild cleaner first.
