Zinus 6 Inch Full Cooling Essential Memory Foam Mattress Instruction Manual

Model: ZU-MFMA1OZI-06F

INTRODUCTION

The Zinus 6 Inch Full Cooling Essential Memory Foam Mattress is designed to provide a comfortable and cool sleep experience. It features ultra-breathable gel-infused Airflow memory foam to promote breathability and relieve pressure. This mattress is CertiPUR-US® certified, ensuring it is made without harmful chemicals, and comes with an OEKO-TEX certified cover for healthier sleep. It is shipped compressed in a box for convenience.

Key Features:

- **Cooling Comfort:** Breathable cooling Airflow memory foam helps maintain an optimal temperature throughout the night.
- **Pressure Relief:** Memory foam conforms to your body shape, enhancing circulation and reducing stress on joints.
- **Certified Safe Materials:** Made with CertiPUR-US® certified foam and an OEKO-TEX certified cover, free from harmful chemicals.
- **Compact Shipping:** Expertly compressed and shipped in a smaller box to reduce carbon footprint and simplify delivery.

SETUP INSTRUCTIONS

Your Zinus mattress is conveniently packaged in a box, making it easy to transport and set up. Follow these steps to prepare your new mattress for use:

1. **Unpack the Box:** Carefully open the shipping box.
2. **Position the Rolled Mattress:** Place the rolled and compressed mattress onto your bed frame or foundation.
3. **Remove Plastic Packaging:** Carefully cut and remove the outer plastic wrapping. The mattress will begin to decompress immediately.
4. **Allow for Full Expansion:** Allow 24 to 72 hours for the mattress to fully expand to its original shape and

firmness. Ventilation of the room during this period is recommended to dissipate any new mattress odor.

OPERATING INSTRUCTIONS

The Zinus Cooling Essential Memory Foam Mattress is designed for immediate use once fully expanded. Its medium firmness provides a balanced feel, suitable for various sleeping positions.

- **Cooling Technology:** The gel-infused Airflow memory foam actively works to dissipate heat, ensuring a cooler sleep environment.
- **Pressure Point Relief:** The memory foam layers adapt to your body's contours, providing targeted support and alleviating pressure points.
- **Optimal Support:** The mattress offers a medium feel, balancing softness with essential support for a restful night.

Perfect for

- Youth bedrooms
- Guest rooms
- Dorm rooms
- Trundle beds
- Bunk beds
- Petite sleepers

MAINTENANCE

Proper care will extend the life and performance of your Zinus mattress.

- **Spot Clean Only:** For spills or stains, clean the mattress cover by spot cleaning with a mild detergent and water. Do not remove the cover for machine washing.
- **Ventilation:** Periodically air out your mattress by removing bedding to allow for air circulation.
- **Use a Mattress Protector:** To protect against spills, stains, and allergens, it is highly recommended to use a waterproof mattress protector.
- **Rotation:** Rotate your mattress 180 degrees every 3-6 months to ensure even wear and prolong its lifespan.

TROUBLESHOOTING

Here are some common questions and solutions regarding your new memory foam mattress:

- **New Mattress Odor:** It is normal for a new mattress to have a slight odor upon unpacking. This "new foam" scent is harmless and will dissipate within 24-72 hours in a well-ventilated room.
- **Incomplete Expansion:** If your mattress does not seem to fully expand within 72 hours, ensure it is laid flat in a warm room. Cooler temperatures can slow down the expansion process.
- **Firmness Perception:** Memory foam mattresses may initially feel firmer than expected. The foam will soften slightly with use and adapt to your body over time.

SPECIFICATIONS

Brand	Zinus
Model Number	ZU-MFMA1OZI-06F
Size	Full
Product Dimensions	75"L x 54"W x 6"Th
Item Weight	28 Pounds
Item Firmness Description	Medium
Top Style	Tight Top
Cover Material	Plush
Number of Layers	3
Fill Material	Memory Foam, High Density Foam
Weight Limit	500 Pounds
Assembly Required	Yes (unboxing and expansion)
