VECELO Twin Size Bed Frame

VECELO Twin Size Bed Frame Instruction Manual

MODEL: TWIN SIZE BED FRAME

Brand: VECELO

Introduction

This manual provides detailed instructions for the assembly, use, and maintenance of your VECELO Twin Size Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Product Features

- **Sturdy Construction:** Designed with 12 robust wooden slats, reinforced side rails, and 8 sturdy metal legs, offering exceptional mattress support and stability.
- **No Box Spring Needed:** Crafted with strong wood slats, this bed frame extends the life of your latex, memory foam, or spring mattress without the need for a box spring.
- **Noiseless Design:** Footpads, Velcro, and EVA mute materials work together to prevent any squeaks or creaks, ensuring a restful and undisturbed sleep.
- **Height-Adjustable Headboard:** The headboard height can be adjusted from 41.7 inches to 47.7 inches to accommodate various mattress thicknesses (recommended 6-12 inch mattress).
- **Easy Assembly:** Engineered for quick and easy assembly with all parts clearly labeled, and necessary hardware and tools included in one box.
- **Under-Bed Clearance:** Provides approximately 7.9 inches of clearance for storage.

Package Contents

Verify that all components are present before beginning assembly.

- 1 x Bed Frame
- 1 x Upholstered Headboard
- 1 x Instruction Manual

- 1 x Assembly Kit (Hardware and Tools)

Safety Information

To ensure safe use of your bed frame, please observe the following:

- Always follow the assembly instructions carefully and completely.
- Ensure all screws and bolts are tightened securely before using the bed frame. Regularly inspect them for tightness.
- Make sure all support legs remain in firm contact with the ground to maintain stability.
- Do not overtighten screws during initial assembly; tighten fully only when all parts are correctly aligned.
- The mattress is not included with this bed frame.
- The maximum weight capacity for the Twin size bed frame is 650 pounds. Do not exceed this limit.

Setup and Assembly Instructions

It is recommended to have two people for assembly. Clear a spacious area for construction.

Video: An animated guide demonstrating the step-by-step assembly process for the VECELO Upholstered Bed Frame,

including unpacking, frame construction, and slat installation.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches. Identify each part using the included parts list.
2. **Assemble Headboard:** Attach the headboard legs to the upholstered headboard using the provided hardware. Do not fully tighten screws yet.
3. **Connect Side Rails:** Attach the side rails to the headboard and footboard. Ensure the central support bar is correctly positioned and secured.
4. **Install Slats:** Place the wooden slats onto the bed frame. The slats feature a Velcro design for quick installation and to prevent movement and noise. Ensure all slats are evenly spaced and secured.
5. **Final Tightening:** Once all components are in place and aligned, securely tighten all screws and bolts.

Height adjustable Headboard

Fit for Fifferent Mattress Thickness(Recommend 6"-12" Mattress)

Image: The headboard showing its height adjustment points, ranging from 41.7 inches to 47.7 inches, allowing customization for different mattress thicknesses.

Maintenance

Proper care will extend the life and appearance of your VECELO bed frame.

- **Cleaning:** The upholstered fabric should be dry cleaned only. For minor spills, gently blot with a clean, dry cloth. Avoid using harsh chemical cleaners.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability and prevent squeaks.
- **Movement:** When moving the bed frame, lift it rather than dragging it to prevent damage to the legs and frame structure.
