# LOVMOR 82-inch L-Shape Sofa Sectional Convertible Sleeper with Storage Chaise User Manual

Model: B0CSKFGPP8

## 1. PRODUCT OVERVIEW

---

The LOVMOR 82-inch L-Shape Sofa Sectional is a versatile furniture piece designed for comfort and functionality. It features a convertible pull-out sleeper bed, a storage chaise, and a reversible corner design, making it suitable for various living spaces. The sofa is upholstered in high-quality linen fabric and constructed with a solid wood frame and steel structure for stability and durability.

## 2. SAFETY INFORMATION

---

Please read and understand all safety instructions before assembly and use. Keep children and pets away from the assembly area. Ensure all components are securely fastened before use. Do not stand or jump on the sofa. Avoid placing hot items directly on the fabric. Refer to the full product manual for detailed safety guidelines.

## 3. SETUP AND ASSEMBLY

---

The LOVMOR L-Shape Sofa Sectional is designed for easy assembly and comes packaged in three separate boxes for convenient transport. Follow the enclosed clear instructions for quick and straightforward setup. It is recommended to have at least one person for assembly.

### 3.1 Unpacking

- Carefully open all three boxes and remove components.

- Verify all parts are present against the parts list in the instruction manual.
- Place all components on a clean, soft surface to prevent scratches.

## 3.2 Assembly Steps

1. Attach the legs to the main sofa frame and chaise base.
2. Connect the main sofa section to the chaise section using the provided connectors.
3. Insert the back cushions and seat cushions into their respective positions.
4. Ensure all connections are secure and stable before use.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Converting to Sleeper Bed

To convert the sofa into a sleeper bed, locate the pull-out handle beneath the main sofa cushions. Gently pull the handle outwards to extend the trundle bed mechanism. The bed will smoothly slide out and lift into position, creating an extended sleeping surface. To retract, push the bed back into the sofa until it locks securely in place.

## 4.2 Using the Storage Chaise

The chaise section of the sofa features a convenient storage compartment. To access it, lift the chaise cushion from the front edge. The lid will open to reveal a spacious storage area, ideal for blankets, pillows, or other items. Close the lid by gently pushing it down until it is flush with the chaise frame.

### 4.3 Reversible Configuration

The L-shape configuration of this sofa is reversible. To change the orientation of the chaise, detach the chaise section from the main sofa. Reattach it to the opposite side of the main sofa frame, ensuring all connectors are securely fastened. This allows for flexible placement within your living space.

## 5. MAINTENANCE AND CARE

---

Proper care will extend the life and appearance of your LOVMOR sofa. The sofa features removable seat cushion covers for easier cleaning.

- **General Cleaning:** Vacuum regularly using an upholstery attachment to remove dust and debris.

- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, use a mild fabric cleaner and test on an inconspicuous area first.
- **Removable Covers:** The seat cushion covers are removable. Follow the care instructions on the fabric label for washing. Typically, machine wash cold on a gentle cycle and air dry. Do not bleach or tumble dry.
- **Frame Care:** Wipe the wooden and metal components with a soft, damp cloth. Avoid harsh chemicals.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading of the fabric.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your LOVMOR sofa, please refer to the following common solutions:

- **Sofa feels unstable:** Ensure all assembly bolts and connectors are tightened securely. Check that the legs are evenly placed on the floor.
- **Pull-out bed mechanism is stiff:** Ensure no obstructions are blocking the mechanism. Apply a silicone-based lubricant to the sliding parts if necessary.
- **Chaise storage lid does not close properly:** Check for any items obstructing the closing mechanism. Ensure the lid is aligned correctly with the base.
- **Fabric appears wrinkled:** Light wrinkles from packaging are normal. They should smooth out with use. Gentle steaming can also help.
