Oviala Mixi 5-Seater Modular Corner Sofa Instruction Manual

Model: 111347

1. PRODUCT OVERVIEW

The Oviala Mixi 5-Seater Modular Corner Sofa is designed to transform your outdoor space into a comfortable and elegant relaxation area. This versatile sofa consists of two armless chairs (chaises longues), two corner modules, and one ottoman, offering a flexible configuration to adapt to various occasions and outdoor settings. Key features include:

- **Modular Design:** Allows for flexible arrangement to suit your space and needs.
- **Durable Construction:** Features stainless steel fastening rings for exceptional solidity and stability.
- **Weather-Resistant Fabric:** Made from mass-dyed polypropylene yarn (Olefin), resistant to weather, UV rays, and fading.
- **Water-Repellent Treatment:** Repels water, maintaining comfort even in light rain.
- **Optimal Comfort:** Equipped with high-quality, high-density (25 kg/m³) cut polyether foam.
- **Easy Maintenance:** The fabric is designed for simple cleaning.

2. COMPONENTS INCLUDED

The Oviale Mixi 5-Seater Modular Corner Sofa includes the following components:

- 2 x Armless Chairs (Chaufeuses)
- 2 x Corner Modules
- 1 x Ottoman

Each module is packaged individually.

Image 2.1: An individual armless chair module.

Image 2.2: A corner module.

Image 2.3: The ottoman module.

3. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow these steps carefully:

1. **Unpack Modules:** Each module is contained in a carton. Open each carton delicately.
2. **Cushion Expansion:** Upon opening, the cushion inside will inflate to its final shape. Allow some time for full expansion.
3. **Insert Cushions:** Once expanded, integrate the cushions into their respective covers.
4. **Connect Modules:** The modules attach to each other using integrated velcro fasteners and stainless steel rings. Align the modules as desired and secure them firmly.

Image 3.2: Detail of the stainless steel connection rings.

Note: All assembly tools are not included, but the connection system is integrated.

4. OPERATING AND USAGE

The modular design allows for various configurations. You can arrange the armless chairs, corner modules, and ottoman to create a personalized seating area that best suits your outdoor space and preferences. The robust velcro system ensures that modules remain securely fixed once connected.

This sofa is designed for outdoor use. Its water-repellent treatment helps repel water, making it suitable for use even during light rain. However, for prolonged durability, it is recommended to cover or store the sofa during heavy rain or harsh weather conditions.

5. MAINTENANCE

To ensure the longevity and appearance of your Oviaa Mixi sofa, follow these maintenance guidelines:

- **Cleaning:** For light stains, wipe with a damp cloth. The polypropylene (Olefin) fabric is easy to clean.
- **Weather Protection:** While the fabric is weather-resistant and UV-protected, it is advisable to use a protective cover or store the sofa indoors during extended periods of non-use, especially in extreme weather conditions.
- **Frame Care:** The stainless steel frame components are resistant to corrosion. Periodically check

connections for tightness.

- **Cushion Care:** The high-density foam cushions are designed for durability. Ensure they are dry before covering or storing to prevent mold or mildew.

6. SAFETY INFORMATION

Please observe the following safety warnings:

- **Fire Hazard:** Keep the sofa away from high heat sources and open flames. The polyether foam meets flame resistance standards, but direct exposure to fire can cause damage.
- **Children and Pets:** Supervise children and pets around the sofa to prevent risks of entrapment or injury.
- **Stability:** Ensure all modules are securely connected before use to maintain stability.
- **Weight Capacity:** Do not exceed the recommended weight capacity for each module or the entire sofa.
