CARE AND MAINTENANCE

- **Cleaning:** Wipe the blaster with a damp cloth to remove dirt and debris. Do not submerge the blaster in water.
- **Dart Inspection:** Regularly inspect darts for damage. Discard any torn or damaged darts to prevent jamming and ensure optimal performance.
- **Storage:** Store the blaster and darts in a cool, dry place away from direct sunlight when not in use.

TROUBLESHOOTING

- **Darts Not Firing:** Ensure the blaster is fully primed by pulling the bolt handle all the way back until it locks.

Check that the dart clip is securely inserted.

- **Dart Jamming:** Remove the dart clip and inspect the firing mechanism for any lodged darts. Clear any obstructions carefully. Use only official Nerf Elite darts.
- **Reduced Performance:** Ensure darts are not damaged or worn. Replace old darts with new ones for best performance.
