HOGOKIDS 12204

HOGOKIDS 24 Pack Marine Animals Building Blocks Toy Instruction Manual

Model: 12204

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, use, and care of your HOGOKIDS 24 Pack Marine Animals Building Blocks Toy. This set includes 24 unique mini building block kits, each designed to form a different marine animal. These toys are intended to foster creativity and fine motor skills in children aged 6 and up.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

- Always supervise young children during play to prevent ingestion of small parts.
- Keep packaging materials away from children to avoid suffocation risks.
- Ensure all building blocks are securely connected during assembly and play.

3. PACKAGE CONTENTS

Your HOGOKIDS 24 Pack Marine Animals Building Blocks Toy includes the following:

- 24 individually packaged mini building block sets, each containing pieces for one unique marine animal.
- 24 individual instruction booklets, one for each marine animal model.

4. ASSEMBLY INSTRUCTIONS

Each of the 24 marine animal models comes with its own dedicated instruction booklet. Follow the steps outlined in each booklet carefully for successful assembly.

1. **Unpack:** Open one individual marine animal building block package.
2. **Identify Parts:** Lay out all the pieces and refer to the included instruction booklet to identify each component.
3. **Follow Steps:** Assemble the model by following the step-by-step diagrams in the instruction booklet. Ensure all blocks are firmly connected.
4. **Verify:** Once assembled, compare your model with the image in the booklet to ensure accuracy.

24 DIFFERENT MARINE ANIMALS

Image 4.1: Example of assembly steps for a clownfish model, demonstrating the clear, visual instructions provided for each animal.

The set includes a variety of marine creatures such as Octopus, Swordfish, Puffer Fish, Starfish, Pink Dolphin, Shark, Lantern Fish, Lionfish, Seahorse, Sea Turtle, Mini Crab, Clownfish, Lobster, Hermit Crab, Manta Ray, Killer Whale, Sea Lion, Penguin, and Acaleph (Jellyfish).

5. OPERATING AND PLAY

Once assembled, the marine animal models are ready for imaginative play. Children can create their own underwater scenes, learn about different sea creatures, and engage in storytelling.

- Encourage children to identify the names and characteristics of each marine animal.
- Use the models to stimulate creative play scenarios.
- The building process and subsequent play help develop imagination, creativity, hand-eye coordination, and hands-on ability.

6. MAINTENANCE AND CARE

To ensure the longevity of your HOGOKIDS building blocks, follow these simple care instructions:

- **Cleaning:** Wipe the blocks with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Disassembly:** If disassembling models, do so gently to avoid damaging the connection points.

7. TROUBLESHOOTING

Should you encounter any issues with your HOGOKIDS building blocks, please refer to the following common solutions:

- **Missing Pieces:** Carefully check all packaging and the play area. If a piece is genuinely missing, please contact

HOGOKIDS customer support with your product model number and details of the missing part.

- **Difficulty Assembling:** Double-check the instruction booklet for the specific model. Ensure pieces are oriented correctly and sufficient pressure is applied for connection.
- **Loose Connections:** Ensure blocks are fully pressed together. If a block consistently remains loose, it may be damaged. Contact customer support for assistance.
