## PRODUCT OVERVIEW

The Rythflo Bluetooth Headphones feature a magnetic neckband design for secure wear and easy storage. The in-line controls allow for convenient management of audio and calls.

Figure 2: Rythflo Bluetooth Headphones with neckband.

## SETUP

### 1. Charging the Headphones

Before first use, fully charge your headphones. Connect the provided USB Type-C charging cable to the charging port on the neckband and plug the other end into a USB power source (e.g., computer, wall adapter). A full charge takes approximately 1 hour and provides up to 30 hours of playtime. A quick 10-minute charge can provide up to 10 hours of audio playback.

# 24 HRS

 Charge 10 minutes =  Up to 10 hours

## Always Powered Always Online

### 2. Bluetooth Pairing

1. Ensure the headphones are turned off.
2. Press and hold the Multi-Function Button (MFB) on the in-line control until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "Rythflo WH02" from the list of found devices.
5. Once connected, the LED indicator will turn solid blue or flash blue slowly.
6. The headphones will automatically reconnect to the last paired device when turned on, if within range (up to 10 meters).

## MAINTENANCE

### Cleaning

Regularly clean your headphones to ensure optimal performance and hygiene. Use a soft, dry cloth to wipe the surfaces. For eartips, remove them and clean with a mild soap solution, then rinse and dry thoroughly before reattaching.

### Storage

When not in use, store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. The magnetic earbuds help prevent tangling and keep the neckband secure.

### Water Resistance (IPX7)

Your Rythflo headphones are IPX7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. This makes them suitable for workouts and use in rainy conditions. However, they are not designed for swimming or prolonged submersion. Ensure the charging port cover is securely closed to maintain water resistance.

# Comfortable Design for Wear

## TROUBLESHOOTING

- **Cannot Pair:** Ensure headphones are in pairing mode (flashing blue/red LED). Turn off and on your device's Bluetooth. Clear previous pairings on your device.
- **No Sound:** Check volume levels on both headphones and your connected device. Ensure headphones are properly paired and connected.
- **Intermittent Connection:** Stay within the 10-meter Bluetooth range. Avoid obstacles between the headphones and your device.
- **Charging Issue:** Ensure the charging cable is securely connected. Try a different USB port or power

adapter.

- **Earbuds not fitting:** Experiment with the different S/M/L eartips provided to find the most comfortable and secure fit.
