Morelax MA303

Morelax MA303 Sleep Headphones 3D Eye Mask User Manual

Model: MA303 | Brand: Morelax

INTRODUCTION

Thank you for choosing the Morelax MA303 Sleep Headphones 3D Eye Mask. This device combines a comfortable 3D eye mask with integrated Bluetooth headphones, designed to enhance your sleep experience by blocking light and providing soothing audio. Please read this manual carefully to ensure proper use and maintenance of your product.

PRODUCT FEATURES

- **3D Contoured Eye Mask:** Ergonomically designed with deeper eye contours to allow free eye movement and zero pressure, ideal for side sleepers.
- **100% Light Blocking:** Effectively blocks out all light for an optimal sleep environment.
- **Bluetooth 5.2 Technology:** Provides fast pairing, stable connection, and low power consumption for hands-free music and calls.
- **HD Stereo Sound:** High-fidelity stereo speakers deliver clear audio for music, podcasts, or white noise.
- **Long Battery Life:** Approximately 1 hour charge time provides up to 12 hours of playtime.
- **Comfortable Materials:** Made with memory foam and super soft, skin-friendly, breathable fabric.
- **Adjustable Strap:** Ensures a comfortable fit for all head sizes without catching hair.
- **Washable Design:** The fabric mask is hand-washable after removing the Bluetooth module.

MORELAX

MORELAX is meticulous about every detail. We carefully select materials, traveling worldwide to find silk - like, skin - friendly, and highly light - shielding fabrics, aiming to make the eye mask feel as comfortable as a cloud's caress on the skin.

The Bluetooth technology has undergone countless tests and improvements for stable connection and easy operation, enabling users to readily immerse in sleep - aiding or soothing audio.

In design, MORELAX combines fashion with simplicity. Each eye mask design not only meets functional requirements but also serves as a fashionable accessory, showing your unique taste in any occasion.

SETUP

Charging the Device

1. Locate the charging port on the side of the Bluetooth module.
2. Connect the provided USB charging cable to the port.
3. Plug the other end of the USB cable into a compatible USB power source (e.g., computer, wall adapter).
4. The device typically charges in about 1 hour. A full charge provides up to 12 hours of playtime.

Bluetooth Pairing

1. Ensure the sleep mask is charged.

2. Press and hold the power button on the control panel until the indicator light flashes, indicating pairing mode.
3. On your smartphone or other Bluetooth-compatible device, enable Bluetooth and search for available devices.
4. Select "Morelax" or the device name displayed on your screen to connect.
5. Once connected, the indicator light will stop flashing and remain solid.

OPERATING INSTRUCTIONS

Wearing the Sleep Mask

1. Place the mask over your eyes, ensuring the 3D contoured cups align with your eyes for maximum comfort and light blocking.
2. Adjust the strap at the back of your head to achieve a snug yet comfortable fit.
3. Adjust the internal speakers to align with your ears for optimal sound quality.

Music and Call Control

The control panel on the front of the mask allows for easy management of your audio and calls:

- **Power On/Off:** Press and hold the central button.
- **Play/Pause:** Short press the central button.
- **Volume Up:** Short press the '+' button.
- **Volume Down:** Short press the '-' button.
- **Next Track:** Long press the '+' button.

- **Previous Track:** Long press the '-' button.
- **Answer/End Call:** Short press the central button during a call.
- **Reject Call:** Long press the central button during an incoming call.

MAINTENANCE AND CARE

Cleaning Instructions

1. Before washing, carefully remove the Bluetooth module from its pocket within the mask. The Bluetooth module is **not washable**.

2. Hand wash the fabric sleep mask with water below 40°C (104°F).
3. Allow the mask to air dry completely before reinserting the Bluetooth module.

SAFETY INFORMATION

- Only one Bluetooth connection is allowed at a time. To connect to a new device, disconnect from the previous one.
- Not suitable for children under 3 years old.
- Do not use if you have difficulty breathing or cannot remove the mask by yourself.
- The Bluetooth module is not washable. Remove it before cleaning the mask.
- If there is no activity after starting or disconnecting Bluetooth, the device will automatically shut down after 5 minutes to conserve battery.

TROUBLESHOOTING

Common Issues and Solutions

- **Device not pairing:** Ensure the mask is charged and in pairing mode (flashing indicator light). Make sure Bluetooth is enabled on your device and it's within range. Disconnect from any previously paired devices.
- **No sound or low volume:** Check the volume levels on both the mask and your connected device. Ensure speakers are aligned with your ears.
- **Short battery life:** Ensure the device is fully charged (approx. 1 hour for 12 hours playtime). Avoid leaving it connected when not in use, as it will auto-shutdown after 5 minutes of inactivity.
- **Discomfort:** Adjust the strap for a looser fit. Ensure the 3D eye cups are correctly positioned over your eyes.
