SETUP

1. Battery Installation

The vehicle requires batteries for its lights and sounds features. Locate the battery compartment on the underside of the vehicle. Using a screwdriver (not included), open the compartment, insert the required batteries (typically AAA, refer to packaging for exact type and quantity), ensuring correct polarity. Close the compartment securely.

2. Placing the Chase Figure

Place the exclusive Chase figure into the driver's seat of the Power Haulin' Cruiser. The figure is designed to fit securely.
