5. MAINTENANCE

Proper care will extend the life and appearance of your DURASPACE sofa bed:

- **Cleaning:** Wipe clean with a dry cloth. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** The seat cushion covers are removable for easier cleaning. Follow the care instructions on the fabric label if washing is required.
- **Frame Inspection:** Periodically check all bolts and connections to ensure they remain tight. Tighten as necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading.

6. TROUBLESHOOTING

If you encounter any issues with your sofa bed, please refer to the following common solutions:

- **Slow USB Charging:** The integrated USB ports are designed for convenience. For faster charging, use a dedicated wall adapter.
- **Sofa Moves When Extending Bed:** Due to its design, the sofa may shift slightly when pulling out the bed. Ensure the sofa is placed on a non-slip rug or consider using furniture grippers to minimize movement.
- **Difficulty with Assembly:** If you experience difficulty during assembly, double-check the instruction manual diagrams and ensure all parts are correctly oriented. It is often easier with a second person.
- **Missing Parts:** If any parts are missing upon delivery, please contact DURASPACE customer
