5. MAINTENANCE AND CARE

To ensure the longevity and appearance of your VINGLI Mirrored TV Stand, follow these maintenance guidelines:

- **Cleaning Mirrored Surfaces:** Mirrored surfaces are easy to clean. Use a soft, lint-free cloth and a glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid streaks and moisture damage to edges.

- **Cleaning Crushed Diamonds:** For the crushed diamond accents, use a soft, dry brush or a microfiber cloth to gently remove dust. Avoid abrasive cleaners or excessive moisture.
- **General Cleaning:** For other surfaces, wipe with a damp cloth and mild detergent if necessary, then dry immediately with a clean cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals as they can damage the finish and materials.
- **Protect from Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to materials.
- **Regular Inspection:** Periodically check all connections and components to ensure they are secure.
