

Mattel HTC01

Mattel Hot Wheels Shark Bite Mega Bite 1/5 Die-Cast Vehicle Instruction Manual

Model: HTC01

INTRODUCTION

This instruction manual provides essential information for the safe and proper use, care, and maintenance of your Mattel Hot Wheels Shark Bite Mega Bite 1/5 die-cast vehicle. Please read this manual thoroughly before use and retain it for future reference.

SAFETY INFORMATION

- **Recommended Age:** This product is suitable for children aged 3 years and older.
- **Choking Hazard:** Not suitable for children under 36 months due to small parts that may be generated. Adult supervision is recommended during play.
- **Intended Use:** This toy vehicle is designed for play on Hot Wheels tracks or smooth, flat surfaces. Do not use it for purposes other than its intended design.
- **Material Safety:** The vehicle is made from die-cast metal and plastic components. Ensure children do not put parts of the toy in their mouth.

Image 1: Front packaging of the Hot Wheels Shark Bite Mega Bite die-cast vehicle. The packaging displays the gold shark-themed car, its name, and the Hot Wheels logo. It also indicates "1/5" for the Mega Bite series and "18/250" for the main line series, along with a "3+" age recommendation.

WHAT'S IN THE BOX

Your Hot Wheels Shark Bite Mega Bite package contains:

- 1 x Hot Wheels Shark Car (Model: HTC01)

SETUP

The Hot Wheels Shark Bite Mega Bite vehicle comes pre-assembled and ready for play. No additional setup or battery installation is required.

1. Carefully remove the die-cast vehicle from its packaging.
2. Dispose of packaging materials responsibly.

OPERATING INSTRUCTIONS

To operate your Hot Wheels Shark Bite Mega Bite vehicle:

- Place the vehicle on a smooth, flat surface or a compatible Hot Wheels track.
- Push the vehicle forward to make it roll.
- The vehicle is designed for free-rolling play and does not require batteries or remote control.

MAINTENANCE

Proper care will ensure the longevity of your Hot Wheels vehicle:

- **Cleaning:** Wipe the vehicle with a soft, dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the vehicle in a cool, dry place away from direct sunlight and extreme temperatures to prevent damage to the paint and plastic components.
- **Inspection:** Periodically inspect the wheels and axles for any debris or damage that might hinder smooth rolling.

TROUBLESHOOTING

If your Hot Wheels vehicle is not performing as expected, consider the following:

- **Vehicle not rolling smoothly:**
 - Check if there is any debris (e.g., hair, lint) caught in the axles or wheels. Carefully remove any obstructions.
 - Ensure the surface you are playing on is smooth and free of obstacles.
- **Visible damage:** If the vehicle has sustained damage from impact, its performance may be affected. Small parts may become detached, posing a choking hazard. Discontinue use if significant damage occurs.
