Keter Kentwood 50 Gallon

Keter Kentwood 50 Gallon Resin Deck Box Instruction Manual

This manual provides instructions for the assembly, operation, and maintenance of the Keter Kentwood 50 Gallon Resin Deck Box, designed for outdoor storage.

PRODUCT OVERVIEW

The Keter Kentwood 50 Gallon Resin Deck Box offers a practical and durable solution for outdoor storage. Its design complements various outdoor decors, providing 50 gallons (189 liters) of storage capacity. This deck box is suitable for storing items such as patio cushions, pool equipment, and gardening tools. It also features a lockable lid for enhanced security and can serve as additional seating.

KEY FEATURES

- **Storage Capacity:** 50 gallons (189 liters) for various outdoor items.
- **Durable Resin Construction:** Resistant to rusting, peeling, fading, and denting.
- **Extra Seating:** Sturdy enough to provide additional seating.
- **Lockable Lid:** Offers enhanced security for stored contents.
- **Easy Assembly:** Designed for quick assembly without special tools.
- **Weather Resistant:** UV-resistant and water-resistant to protect contents.

Features

ASSEMBLY INSTRUCTIONS

The Keter Kentwood 50 Gallon Resin Deck Box is designed for quick and easy assembly, typically taking less than 10 minutes without the need for special tools. Follow the steps below for proper setup.

- 1. Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list (not provided in this manual, refer to packaging).
- 2. Identify Panels:** Distinguish between the base, side panels, front panel, back panel, and lid.
- 3. Connect Panels:** Interlock the side, front, and back panels into the base. Ensure all connections are secure.
- 4. Attach Lid:** Secure the lid to the assembled body using the integrated hinge mechanism.
- 5. Verify Stability:** Once assembled, gently test the box for stability and ensure the lid opens and closes smoothly.

10-Minute Assembly No Tools Required

OPERATING INSTRUCTIONS

Storage

The deck box provides 50 gallons of storage space. To use, simply lift the lid. Place items such as patio cushions, garden tools, or pool accessories inside. Ensure the lid is fully closed to protect contents from weather and dust.

Seating

The sturdy construction of the Keter Kentwood deck box allows it to be used as additional seating. Ensure the lid is securely closed before sitting on it. It is designed to support typical adult weight for occasional seating.

Locking Mechanism

For added security, the deck box features a lockable lid. A padlock (not included) can be inserted through the designated hole on the lid and the corresponding loop on the front panel to secure your belongings.

MAINTENANCE

The Keter Kentwood 50 Gallon Resin Deck Box is constructed from durable resin material, making it largely maintenance-free. To ensure its longevity and appearance:

- **Cleaning:** Wipe down the exterior with a damp cloth and mild soap as needed. Avoid abrasive cleaners or harsh

chemicals, which can damage the resin.

- **Weather Protection:** The resin material is UV-resistant and water-resistant, designed to withstand various weather conditions without rusting, peeling, fading, or denting.
- **Winter Storage:** While durable in cold weather, consider storing delicate items indoors during extreme winter conditions to prevent potential damage.

Image: The Keter Kentwood deck box is designed to withstand various weather conditions, including sun, rain, and wind.

TROUBLESHOOTING

If you encounter any issues with your Keter Kentwood 50 Gallon Resin Deck Box, please refer to the following common solutions:

- **Lid Not Closing Properly:**
 - Ensure no items are obstructing the lid's path.

- Check that all panels are securely interlocked and the box is on a flat, level surface.

- **Water Inside the Box:**

- Verify the lid is fully closed and latched.
- Inspect for any gaps or damage to the resin panels. While water-resistant, extreme conditions or prolonged standing water may affect it.

- **Instability:**

- Confirm all assembly connections are firm.
- Place the deck box on a stable, level surface.
