

Auromie G000899

Auromie Wine Bar Cabinet with LED Light

Model: G000899

INTRODUCTION

Thank you for choosing the Auromie Wine Bar Cabinet with LED Light. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- Always wear safety glasses and gloves when assembling the cabinet.
- Avoid exposing the MDF board to excessive heat or moisture.
- Keep the cabinet away from open flames or heat sources.
- Do not use harsh chemicals or abrasive materials to clean the cabinet.
- Ensure the cabinet is placed on a stable, level surface to prevent tipping.
- Utilize the provided anti-tipping kits to secure the cabinet to a wall, especially in households with children or pets.

PACKAGE CONTENTS

Before assembly, verify that all parts and hardware are present. Refer to the included parts list in your package. If any items are missing or damaged, please contact customer support.

Key Assembly Steps:

1. Attach the LED light strip and glass holders to the top panel.
2. Assemble the side panels and internal dividers using the provided hardware.
3. Install the drawer slides onto the cabinet frame.
4. Assemble the glass doors and attach hinges.
5. Assemble the drawers and attach handles.
6. Insert the wine rack into its designated compartment.
7. Attach the anti-tipping kits to the back of the cabinet and secure to a wall.

OPERATING INSTRUCTIONS

LED Lighting System

The cabinet features a built-in LED light strip with over 60,000 color options. The lights can be controlled via a dedicated mobile application. Refer to the small instruction booklet included with the LED lights for app download and pairing instructions.

Adjustable Storage Shelves

Adjust the height or remove according to your needs

MAINTENANCE AND CARE

- **Cleaning:** The smooth surfaces of the cabinet are easy to clean. Use a soft, damp cloth to wipe away dust or spills. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to maintain its appearance.
- **Spills:** Wipe up any spills immediately to prevent staining or damage to the engineered wood.
- **Glass Doors:** Clean glass doors with a glass cleaner and a lint-free cloth.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Tighten if necessary.

TROUBLESHOOTING

- **Wobbly Cabinet:** Ensure the cabinet is on a level surface. Adjust any leveling feet if present. Re-tighten all assembly screws. If applicable, ensure the anti-tipping kit is properly installed and secured.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly aligned and securely fastened. Ensure no debris is obstructing the tracks.
- **LED Lights Not Working:** Verify that the power adapter is securely plugged into both the light strip and

a working electrical outlet. Check the mobile app connection and settings.

- **Doors Not Closing Properly:** Inspect hinges for proper installation and alignment. Adjust hinges if necessary to ensure smooth closing.
