2. PACKAGE CONTENTS

Please check the package for the following items:

- 2 x hadbleng Q28S Wireless Earbuds
- 1 x Charging Case
- 1 x Mini USB Type-C Charging Cable
- 6 x Ear Caps (S/M/L sizes)
- 1 x User Manual (this document)

3. PRODUCT FEATURES

-
- **Bluetooth 5.3 Technology:** Ensures stable connectivity, longer transmission range, lower power consumption, and reduced latency.
 - **High-Fidelity Audio:** Equipped with 13.44mm speakers and a triple-layer composite membrane for powerful bass (down to 16Hz) and clear treble (up to 20kHz).
 - **Clear Calls:** Built-in microphone with Environmental Noise Cancellation (ENC) for enhanced call clarity.
 - **Extended Playtime:** Up to 60 hours of total playtime with the charging case. Each earbud provides approximately 6 hours of battery life.
 - **Fast Charging:** Type-C fast charging support for the charging case.
 - **Dual LED Digital Display:** Charging case displays remaining battery level, and LED strips will indicate individual earbud charging status.
 - **IPX7 Waterproof:** Designed to withstand splashes and rain, suitable for workouts and outdoor activities.
 - **Ergonomic Design:** Flexible silicone ear hooks and three sizes of eartips (S/M/L) provide a secure and comfortable fit.
 - **One-Button Control:** Easy-to-use physical buttons for media control and call management.
 - **Automatic Pairing:** Earbuds automatically connect to the last paired device when removed from the charging case.

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Place the earbuds into the charging case. Connect the Type-C charging cable to the case and a power source. The LED display on the case will show the battery percentage, and LED strips will indicate the charging status of each earbud.

52Hrs Ultra Long Battery Life

Don't worry about the charging and enjoy yourself to your heart's content

Image: Diagram illustrating the battery life and charging capabilities of the hadbleng Q28S earbuds and their 800mAh charging case, including Type-C fast charging.

4.2 Initial Pairing

1. Ensure earbuds are charged and removed from the case.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for "Q28S" in the list of available Bluetooth devices and select it to connect.
5. Once connected, a voice prompt will confirm successful pairing.

After the initial pairing, the earbuds will automatically connect to your device when you open the case and remove them.

One Step Auto Pairing

After first pairing, earbuds will auto pair you phone when open the case

Open

6. WEARING THE EARBUDS

The hadbleng Q28S earbuds are designed for a secure and comfortable fit, especially during physical activity. Choose the correct size of ear caps (S/M/L) for optimal comfort and sound quality. Gently place the earbud into your ear canal and adjust the flexible ear hook over your ear until it feels secure.

7. MAINTENANCE

The earbuds have an IPX7 waterproof rating, meaning they can withstand sweat, splashes, and rain. However, they are not suitable for swimming or submersion in water. After intense workouts or exposure to moisture, wipe the earbuds and charging case with a dry, soft cloth. Avoid using harsh chemicals or abrasive materials for cleaning.
