

## AVIOT TE-D01v-SOB

# AVIOT TE-D01v-SOB Sword Art Online Wireless Earbuds User Manual

Model: TE-D01v-SOB (Hero Model)

## 1. INTRODUCTION

---

This manual provides detailed instructions for the safe and effective use of your AVIOT TE-D01v-SOB Sword Art Online Wireless Earbuds. Please read this manual thoroughly before using the product and retain it for future reference.

### Package Contents

- AVIOT TE-D01v-SOB Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- Ear Cushions (Multiple Sizes)
- User Manual (This Document)

## Special Design

The 'HERO' model, grounded in 'black,' showcases the emblem of the Aincrad Knights. In contrast, the 'HEROINE' model, based on 'white,' features the emblem of the Blood Knights. Both models flaunt symbols inspired by various armaments that color SAO's narrative, strategically placed on the front of the charging case, embodying the determination and beliefs of SAO's iconic heroes.

## 2. SETUP

---

### 2.1 Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided USB cable to the charging case and a compatible USB power source. The indicator lights on the case will show the charging status.

## Special Voices

Image: The charging case connected to a USB cable for power.

### 2.2 Pairing with a Device

1. Ensure the earbuds are in the charging case and the case lid is open.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Select "AVIOT TE-D01v-SOB" from the list of available Bluetooth devices.
4. Once connected, a voice guidance will confirm successful pairing.

The earbuds support Bluetooth 5.0 for stable connectivity up to 10 meters (33 feet).

## 3. OPERATING INSTRUCTIONS

---

### 3.1 Basic Controls (Touch)

The earbuds feature touch controls for various functions. Refer to the app or a quick start guide for specific tap patterns for playback, call management, and mode switching.

### 3.2 Special Voice Features

Your earbuds include over 170 unique character voices from Sword Art Online. These voices provide guidance for power on/off, device connection status, and can be activated through character-specific modes via the companion app. Long-pressing the earbud button may also activate certain special voices.

Image: Examples of character voice lines for earbud operations.

### 3.3 Noise Cancellation

The earbuds feature hybrid noise cancellation with four microphones to effectively reduce ambient noise, providing a more immersive listening experience. This feature can typically be toggled via the touch controls or the companion app.

### 3.4 Audio Performance

Enjoy high-quality audio with deep bass, delivered through dynamic drivers. The frequency range is 20 Hz - 20,000 Hz.

## 4. MAINTENANCE

---

### 4.1 Cleaning

- Wipe the earbuds and charging case with a soft, dry cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Gently clean the ear tips and speaker mesh to prevent wax buildup, which can affect sound quality.

### 4.2 Water Resistance

The earbuds have an IPX4 water-resistant rating, meaning they are protected against splashing water from any direction. They are not designed for submersion in water. Ensure earbuds are dry before placing them back in the charging case.

## 4.3 Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.

## 5. TROUBLESHOOTING

---

If you encounter issues with your earbuds, please refer to the following common solutions:

- **No Sound / Intermittent Connection:**

Ensure earbuds are charged. Re-pair the earbuds with your device. Move closer to your device to ensure you are within the 10-meter Bluetooth range. Check for interference from other wireless devices.

- **Earbuds Not Charging:**

Verify the charging cable is securely connected to both the case and the power source. Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.

- **Touch Controls Not Responding:**

Ensure your fingers are clean and dry. Restart the earbuds by placing them in the case and closing the lid, then reopening.

- **App Issues:**

Ensure the app is updated to the latest version. Restart the app or your device.

## 6. SPECIFICATIONS
