Carrera 1069/S Sunglasses User Manual

Model: 206762

INTRODUCTION

This manual provides comprehensive instructions for the proper use, care, and maintenance of your Carrera 1069/S sunglasses. Please read this guide thoroughly to ensure optimal performance and longevity of your eyewear. These sunglasses feature a metal front with an injected coating and side spoilers, designed for durability and style. The frames are compatible with prescription lenses, and options include mirrored or polarized lenses for enhanced visual comfort and protection.

PRODUCT OVERVIEW

The Carrera 1069/S sunglasses are crafted with attention to detail, featuring the iconic "C" logo engraved on the bridge and the full Carrera logo on the temples. This section details the main components of your sunglasses.

Figure 1: Front view of Carrera 1069/S sunglasses. Note the matte black and gold frame, and brown gradient lenses.

- **Frame:** Durable metal frame with injected coating.
- **Lenses:** Available in mirrored or polarized options, providing UV protection.
- **Temples:** Feature the carved Carrera logo.
- **Nose Pads:** Adjustable for comfortable fit.

SETUP AND INITIAL USE

1. **Unboxing:** Carefully remove the sunglasses from their protective case.
2. **Inspection:** Check for any visible damage or loose components.
3. **Fitting:** Place the sunglasses on your face. Ensure the nose pads rest comfortably on your nose bridge and the temples sit securely behind your ears without causing pressure.
4. **Adjustment:** If the fit is too loose or too tight, minor adjustments to the nose pads or temple arms can be made by a qualified optician. Avoid attempting significant adjustments yourself to prevent damage.

OPERATING INSTRUCTIONS

Your Carrera 1069/S sunglasses are designed for everyday wear and outdoor activities, providing protection and visual clarity.

- **Wearing:** Hold the sunglasses by the frame and place them gently on your face. Avoid pushing them onto your head or using one hand to remove them, as this can strain the hinges.
- **UV Protection:** The lenses offer UV protection. While suitable for various light conditions, avoid looking directly at the sun.
- **Lens Types:**
 - *Mirrored Lenses:* Reduce glare by reflecting light away from the eyes.
 - *Polarized Lenses:* Specifically designed to reduce glare from reflective surfaces like water or snow, enhancing visual comfort.

CARE AND MAINTENANCE

Proper care will extend the life and maintain the appearance of your sunglasses.

1. **Cleaning Lenses:** Clean lenses with a soft, lint-free cloth, preferably the one provided with your sunglasses. For stubborn smudges, use a specialized lens cleaning spray or mild soap and water, then dry thoroughly. Avoid abrasive materials or harsh chemicals.
2. **Cleaning Frames:** Wipe the frame with a soft, damp cloth.
3. **Water Exposure:** Avoid prolonged contact with water, especially saltwater, which can corrode metal.

components. If exposed, rinse with fresh water and dry immediately.

- 4. **Storage:** Store your sunglasses in their protective case when not in use to prevent scratches and damage. Avoid leaving them in direct sunlight or extreme temperatures (e.g., on a car dashboard), as this can warp the frame or damage the lenses.
- 5. **Handling:** Always handle your sunglasses with both hands to prevent bending the frame or loosening the hinges.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lenses are smudged or dirty.	Fingerprints, dust, or oils.	Clean with a soft, lint-free cloth and lens cleaner.
Sunglasses feel loose or crooked.	Hinges or frame slightly bent.	Visit a qualified optician for professional adjustment.
Scratches on lenses.	Improper storage or abrasive cleaning.	Store in protective case. Scratches are generally not repairable; consider lens replacement if severe.

SPECIFICATIONS

Model Number: 206762 (Carrera 1069/S)
Product Dimensions: 3.94 x 0.79 x 1.06 inches
Weight: 0.07 ounces
Department: Unisex
Manufacturer: Safilo

Origin: Made in the USA or Imported
