OKD PFC70-LRO

OKD Farmhouse TV Stand with 36-inch Electric Fireplace

Model: PFC70-LRO

Brand: OKD

IMPORTANT SAFETY INFORMATION

- Always unplug the fireplace when not in use.
- Do not place flammable materials near the fireplace.
- Keep the doors and drawers closed when not in use to prevent pinch injuries.
- Always follow the assembly instructions to ensure safe installation.
- Ensure the product is placed on a stable, level surface to prevent tipping.
- Do not overload shelves or drawers beyond the specified weight limits.

PRODUCT OVERVIEW

The OKD Farmhouse TV Stand with Electric Fireplace is designed to accommodate televisions up to 80 inches. It features a 36-inch 3-sided glass electric fireplace, two storage drawers, and two storage cabinets with adjustable shelves and integrated LED lighting.

ASSEMBLY INSTRUCTIONS

Assembly of the OKD Farmhouse TV Stand is required. Due to its size and complexity, detailed assembly instructions are provided within the product packaging. Please follow these instructions carefully, step-by-step, to ensure proper and safe construction.

- **Preparation:** Unpack all components and verify against the parts list in the manual. Ensure you have all necessary tools.
- **Team Assembly:** It is highly recommended to have two people for assembly to facilitate lifting and alignment of larger components.
- **Surface Protection:** Assemble the unit on a soft, clean surface (e.g., a blanket or carpet) to prevent scratches or damage.
- **Hardware:** Use only the provided hardware. Do not overtighten screws.
- **Safety First:** Pay close attention to all safety warnings and guidelines throughout the assembly process.

OPERATING INSTRUCTIONS - ELECTRIC FIREPLACE

The integrated 36-inch electric fireplace offers both aesthetic flame effects and a heating function. It can be controlled via the touch screen panel on the unit or the included remote control.

Basic Operation

1. **Power On/Off:** Press the power button on the control panel or remote to turn the fireplace on or

off.

2. **Flame Effects:** The fireplace features 3 flame colors and 5-speed flame adjustments. Use the dedicated flame button on the control panel or remote to cycle through color options and adjust speed/brightness.
3. **Heating Function:** Press the heat button to activate the heater. The fireplace provides 5118 BTUs of heat, suitable for rooms up to 400 sq. ft. The temperature can be set between 64°F and 82°F. Flame effects and heating can be operated independently.
4. **Timer:** Utilize the timer function to set the fireplace to operate for 1 to 9 hours. Press the timer button to select the desired duration.

STORAGE FEATURES

The TV stand is equipped with various storage options to help organize your entertainment items and other belongings.

- **Drawers:** Two drawers are located on either side of the central console. These drawers feature smooth, durable slide rails for easy access and storage of smaller items like remote controls, batteries, or small accessories.
- **Cabinets:** Two storage cabinets with glass doors are positioned below the drawers. Each cabinet includes an adjustable glass shelf, allowing you to customize the storage space for items of varying heights. Integrated LED lights within the cabinets enhance visibility and display.
- **Open Shelf:** A central open shelf above the fireplace is ideal for media devices such as gaming consoles, soundbars, or streaming boxes.
- **Cable Management:** A dedicated cable management hole is located at the back of the unit to help keep wires organized and out of sight.

CARE AND MAINTENANCE

Proper care and maintenance will help preserve the appearance and functionality of your TV stand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood finish.
- **Fireplace Maintenance:** Ensure the fireplace vents are clear of obstructions. Refer to the separate fireplace insert manual for specific cleaning and maintenance instructions.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.

TROUBLESHOOTING

If you encounter issues with your TV stand or electric fireplace, refer to the following common solutions:

- **Fireplace Not Turning On:**
 - Ensure the power cord is securely plugged into a functional electrical outlet.
 - Check if the circuit breaker has tripped.
 - Verify that the power button on the unit or remote is pressed correctly.
- **No Heat Output:**
 - Confirm the heating function is activated.
 - Check if the thermostat setting is higher than the current room temperature.
 - Ensure the air intake and exhaust vents are not blocked.
- **Flame Effects Not Working:**
 - Verify the flame effect button is pressed.
 - If using the remote, check battery levels.
- **Doors/Drawers Not Aligning Properly:**
 - Review the assembly instructions for correct hinge and slide rail installation.
 - Adjust hinges as needed to align doors.
 - Ensure the unit is on a level surface.
- **LED Cabinet Lights Not Working:**
 - Check connections for the LED lighting system.
 - Ensure the power supply for the lights is active.
