Senmeo Bladeless Fan with Air Purifier

Model: UML-046

INTRODUCTION

The Senmeo Bladeless Fan with Air Purifier is a versatile 2-in-1 device designed to provide both cooling airflow and improved air quality in your home or office. This tower fan features a bladeless design for enhanced safety and easy cleaning, an advanced HEPA filtration system, multiple speed settings, oscillation, and a convenient timer function. Its intuitive controls, including an LED display and remote control, ensure ease of use and personalized comfort.

PACKAGE CONTENTS

- 1 x Senmeo Tower Fan
- 1 x Remote Control
- 1 x CR2025 Lithium Battery (for remote control)
- 1 x User Manual

KEY FEATURES

- **2-in-1 Fan & Air Purifier:** Combines a powerful fan with an H11 HEPA air purifier, featuring 360° sealing technology and 3-stage filters to remove over 99.7% of impurities, including 0.3-micron particles.
- **Safe Bladeless Design:** Eliminates rotating blades, ensuring safety for households with children and pets, and simplifies cleaning.
- **8 Customizable Wind Speeds:** Offers a range of airflow options for personalized comfort, from a gentle breeze to a strong current.
- **90° Wide-Angle Oscillation:** Distributes cool, clean air evenly across a wide area, enhancing air circulation throughout the room.
- **1-8 Hour Auto-Off Timer:** Allows setting the fan to automatically turn off after a specified duration, promoting energy saving.
- **Quiet Operation:** Operates at a low noise level, below 35 dB in sleep mode, ensuring a peaceful environment.
- **Smart Control:** Equipped with an LED display and a remote control for convenient adjustment of settings from a distance of up to 5 meters.
- **Compact & Assembly-Free:** Features a sleek, space-saving design that requires no assembly, ready to use out of the box.

- **Energy Efficient:** Designed to be energy-saving, consuming only 0.8 kilowatts/hour per day.

SETUP

1. **Unpacking:** Carefully remove the fan and all accessories from the packaging.
2. **Placement:** Place the fan on a stable, flat surface in the desired location. Ensure there is adequate space around the fan for optimal airflow and oscillation.

3. **Remote Control Battery Installation:**

The remote control comes with a CR2025 lithium battery. Before first use, open the battery compartment cover and remove the insulating sheet. Ensure the battery is inserted with the correct polarity (+/-) as indicated inside the compartment.

4. **Power Connection:** Plug the power cord into a standard electrical outlet (220 Volts).

OPERATING INSTRUCTIONS

The Senmeo Bladeless Fan can be operated using the touch controls on the LED display or the included remote control.

Controls Overview:

Image: A hand holding the remote control pointing towards the Senmeo bladeless fan, highlighting the dual control options via remote and the fan's LED display.

- **Power On/Off:** Press the power button on the fan's LED display or the remote control to turn the unit on or off.
- **Adjusting Fan Speed:** Use the '+' and '-' buttons on the fan or remote to cycle through 8 wind speed settings.

8-Speed Customizable Airflow

Tailored to your air delivery needs
Normal Natural Sleep

Image: The Senmeo bladeless fan with an overlay illustrating the 8 customizable wind speed settings and different airflow modes (Normal, Natural, Sleep).

- **Oscillation:** Press the oscillation button (usually an icon resembling a rotating arrow) on the fan or remote to activate or deactivate the 90° wide-angle oscillation feature.

Stronger Air Circulation

Extensive cooling by 90° wide-angle

Image: The Senmeo bladeless fan positioned in a room, showing a wide blue arc indicating its 90-degree oscillation capability for stronger air circulation.

- **Timer Function:** Press the timer button to set the auto-off timer from 1 to 8 hours. The fan will automatically turn off after the set time.
- **Sleep Mode:** Activate sleep mode for ultra-quiet operation (below 35 dB), ideal for nighttime use. The LED display may dim or turn off in this mode.

Image: The Senmeo bladeless fan in a bedroom setting at night, illustrating its quiet operation in sleep mode, 8-hour timer, and 30-second display auto-off feature, with an indication of its 80cm height.

- **Air Purification:** The air purification function operates automatically when the fan is on. The 3-stage HEPA filter system continuously cleans the air.

Purify the Air Around You 3-stage filtration system traps 99.97 % ultra-fine particles as small as 0.3 microns

MAINTENANCE

Cleaning:

Due to its bladeless design, the Senmeo fan is easy to clean. Use a soft, dry cloth to wipe down the exterior surfaces. For the air outlet, a soft brush or compressed air can be used to remove dust.

Filter Replacement:

To maintain optimal air purification performance, it is recommended to replace the HEPA filter every 6 months. The filter is designed for easy replacement. For purchasing a replacement filter, search for ASIN **B0CX8Y5VLF** on Amazon.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Fan does not turn on.	No power supply. Remote control battery is dead or incorrectly inserted.	Ensure the power cord is securely plugged into a working outlet. Check and replace the CR2025 battery in the remote control if necessary. Ensure correct polarity.
Weak airflow.	Air filter is clogged. Air inlet/outlet is obstructed.	Check and replace the HEPA filter if it appears dirty or has been in use for over 6 months. Ensure nothing is blocking the air inlet at the base or the air outlet at the top.
Unusual noise.	Fan is not on a stable surface. Internal obstruction or component issue.	Place the fan on a firm, level surface. Ensure no foreign objects have entered the fan. If the noise persists, contact customer support.
Remote control not working.	Battery issue. Out of range or obstruction.	Replace the CR2025 battery. Ensure the insulating sheet is removed. Ensure you are within 5 meters of the fan and there are no obstructions between the remote and the fan.

SPECIFICATIONS

Specification	Detail
Brand	Senmeo
Model Number	UML-046
Color	White + Blue
Product Dimensions (L x W x H)	20 x 20 x 80 cm
Item Weight	5 Kilograms
Power	40 Watts
Voltage	220 Volts
Number of Speeds	8
Noise Level	35 dB (in sleep mode)
Auto-off Function	Yes (1-8 hour timer)
Special Features	Bladeless Air Purifier, 90° Oscillation, LED Light Auto-off, Remote Control
Electric Fan Design	Floor Fan / Tower Fan
Power Source	Corded Electric
Recommended Uses	Ventilation, Air Purification
Mounting Type	Floor Mount
ASIN	B0CSWBM82H
Battery (Remote)	1 x CR2025 (included)

WARRANTY AND SUPPORT

For information regarding warranty coverage or technical support, please refer to the contact details provided with your purchase documentation or visit the official Senmeo website. Keep your purchase receipt as proof of purchase.
