2. SAFETY INFORMATION

- Handle all components with care during unpacking and assembly to prevent damage or injury.
- Ensure all screws and fasteners are securely tightened before use to maintain stability.
- Do not overload drawers or shelves beyond their intended capacity.
- Keep electrical components (lights, power outlets) away from water or excessive moisture.
- Supervise children around the vanity desk to prevent accidents.

3. PARTS LIST

Before beginning assembly, verify that all parts and hardware are present and undamaged. Refer to the included assembly instructions for a detailed list of labeled components.

5. OPERATING INSTRUCTIONS

5.1 LED Mirror Lighting

The vanity mirror features 13 LED Hollywood bulbs with three adjustable lighting colors to suit various makeup needs and preferences. A touch-sensitive button on the mirror controls the lighting.

- **Power On/Off:** Tap the touch button once to turn the lights on or off.
- **Change Color Temperature:** With the lights on, tap the touch button repeatedly to cycle through the three color modes: Cool White, Warm White, and Natural White.
- **Adjust Brightness:** Press and hold the touch button to smoothly adjust the brightness level. Release when the desired brightness is achieved.

5.2 Power Outlet and USB Ports

The vanity desk is equipped with a built-in charging station, including two standard AC outlets (120V/12A) and two USB ports (5V/2A). This allows for convenient powering of beauty tools and charging of electronic devices.

- Plug in hair dryers, curling irons, or other appliances into the AC outlets.
- Connect smartphones, tablets, or other USB-powered devices to the USB ports for charging.
- Ensure devices are compatible with the provided voltage and current ratings.

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning:** Wipe the desk surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth with mild soap can be used, followed immediately by drying. Avoid harsh chemicals or abrasive cleaners.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror or LED bulbs.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If needed, a small amount of silicone lubricant can be applied to the slides.
- **Electrical Components:** Ensure the power cord is not pinched or damaged. Do not attempt to repair electrical components yourself; contact qualified personnel.
- **General:** Avoid placing hot items directly on the desk surface. Protect from direct sunlight and extreme temperature changes.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not turning on.	Power cord not connected; loose connection; power outage; faulty bulb.	Ensure power cord is securely plugged into a working outlet. Check all connections. Verify power to the outlet. If a bulb is faulty, contact customer support for replacement.
Drawers are stiff or difficult to open/close.	Drawer slides are misaligned or dirty; drawer is overloaded.	Empty the drawer and check for obstructions. Clean drawer slides and apply a silicone lubricant if necessary. Ensure the desk is on a level surface.
Power outlets/USB ports not working.	Power cord not connected; circuit breaker tripped; faulty module.	Check power cord connection. Reset the circuit breaker if applicable. Test with another device. If issue persists, contact customer support.
Desk feels wobbly.	Loose fasteners; uneven floor.	Retighten all assembly screws. Place the desk on a level surface or use shims to stabilize if the floor is uneven.
