ARIEL HBT-048SCQOVOMNB

ARIEL Hepburn 48-inch Bathroom Vanity (Midnight Blue)

Instruction Manual

1. PRODUCT OVERVIEW

The ARIEL Hepburn 48-inch Bathroom Vanity is designed for durability and functionality. It features solid hardwood and plywood construction, a 1.5-inch Carrara White Quartz countertop, and a single oval porcelain sink. The vanity includes soft-closing doors and drawers with dovetail joinery, providing ample storage and a refined aesthetic.

This model, HBT-048SCQOVOMNB, comes in a Midnight Blue finish with Matte Black pulls.

2. SAFETY INFORMATION

- Always use appropriate safety gear when installing or moving the vanity.
- Ensure the vanity is properly secured to the wall to prevent tipping.
- Do not overload the vanity with heavy items.
- Keep the area around the vanity clear to prevent tripping hazards.
- Exercise caution when handling the countertop due to its weight and fragility.

3. SETUP AND INSTALLATION

The vanity arrives fully assembled with an open back for plumbing access. The countertop is not attached to the vanity base and requires separate installation of the sink and countertop.

3.1 Components Included

- Vanity base cabinet
- Countertop
- Single oval porcelain sink

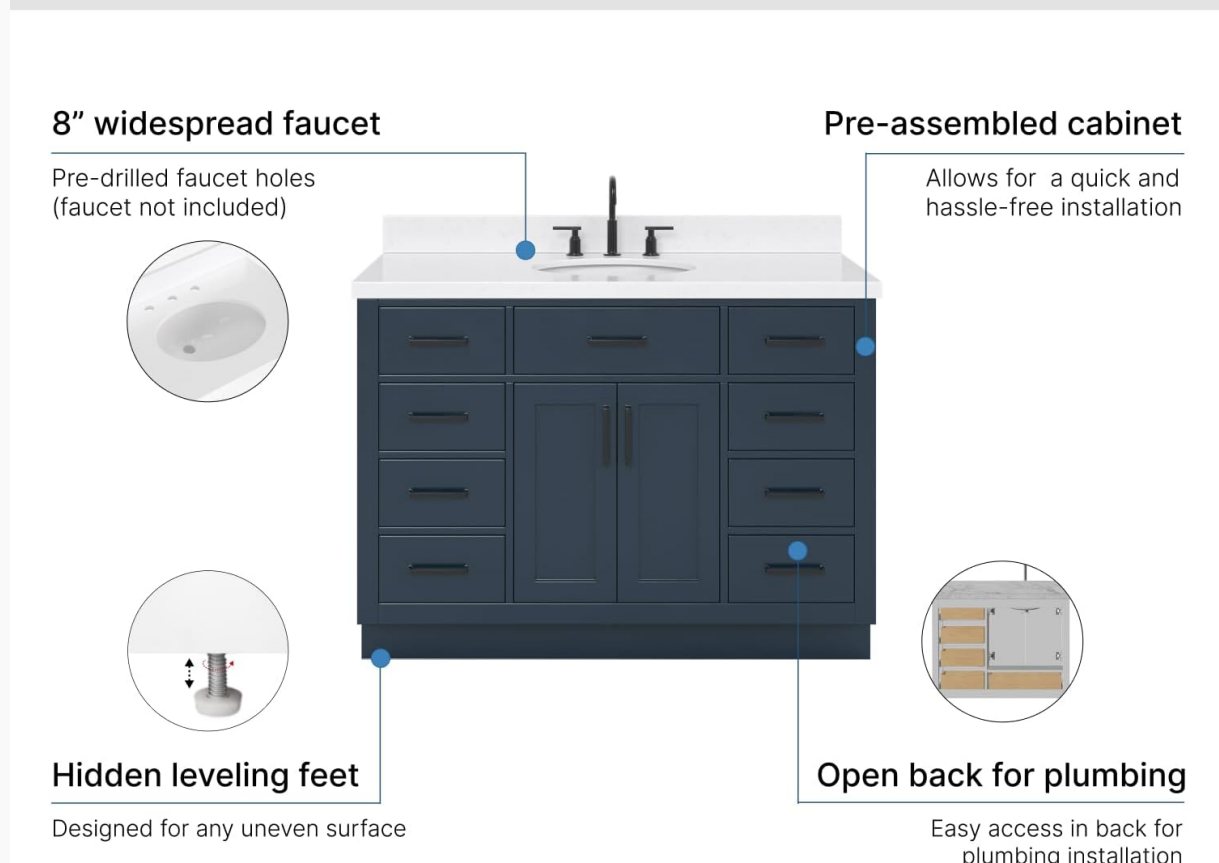

- Hardware (Matte Black pulls)
- Backsplash

Faucets and mirror are not included.

3.2 Pre-Installation Steps

1. Unpack all components and inspect for any damage.
2. Ensure you have the necessary tools: pencil, silicone gun, and a towel.
3. Position the vanity base in its desired location. The hidden leveling feet can be adjusted for stability on uneven floors.

Designed for easy installation

Key features designed for easy installation.

3.3 Sink and Countertop Installation

The countertop comes pre-drilled for a 3-hole faucet with an 8-inch widespread configuration.

1. Place the basin on the bottom of the countertop.
2. Use a pencil to mark the position of the basin on the countertop.
3. Apply silicone sealant on the top edge of the basin.
4. Flip the basin and carefully place it onto the marked position on the countertop. Allow 12 to 24 hours for the silicone to dry.
5. Attach the undermount clips to secure the sink to the countertop.
6. Apply silicone sealant around the top perimeter of the base cabinet.
7. Carefully set the countertop with the attached sink onto the vanity base.
8. Set the backsplash. Apply silicone on the countertop where the backsplash will sit and behind the

backsplash for a secure fit.

9. Wipe away any excess silicone immediately with a damp cloth.

3.4 Installation Video Guide

For a visual guide on vanity installation, please refer to the video below:

Video: How to install a bathroom vanity. This video demonstrates the steps for installing a vanity, including sink and countertop attachment.

4. OPERATING INSTRUCTIONS

The ARIEL Hepburn vanity is designed for ease of use and efficient storage.

4.1 Doors and Drawers

- The vanity features 2 soft-closing doors and 9 drawers (8 full-extension, 1 45-degree tilt-out drawer).
- To open, gently pull the Matte Black handles. The soft-closing mechanism ensures quiet and smooth operation, preventing slamming.
- The tilt-out drawer provides convenient access to smaller items.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your vanity.

- **General Cleaning:** Wipe surfaces with a damp cloth. Avoid abrasive cleaners or harsh chemicals that can damage the finish or countertop.
- **Countertop Care:** The Carrara White Quartz countertop is non-porous and resistant to stains and moisture. No sealing is required. Clean spills promptly.
- **Wood Care:** The solid hardwood and plywood construction with Sherwin-Williams PU coating is durable. Avoid prolonged exposure to excessive moisture.

- **Hardware:** Clean Matte Black pulls with a soft, damp cloth. Do not use abrasive cleaners.

6. TROUBLESHOOTING

If you encounter any issues with your ARIEL Hepburn vanity, please refer to the following general guidance:

- **Wobbly Vanity:** Adjust the hidden leveling feet located at the bottom of the vanity base until it is stable.
- **Drawer/Door Malfunction:** Check hinges and drawer slides for any obstructions. Ensure they are properly aligned.
- **Water Leaks:** Verify all plumbing connections are tight and properly sealed with plumber's putty or silicone as appropriate.

For persistent issues or concerns not addressed here, please contact customer support.
