

SOFTSEA 55529

SOFTSEA Twin Size Platform Bed Frame with Storage Headboard and LED Light - Instruction Manual

Model: 55529

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before beginning assembly and use of this product. Keep this manual for future reference.

- **Weight Capacity:** Do not exceed the maximum weight capacity of **220 lbs**. Overloading can lead to structural failure and injury.
- **Guardrails:** Ensure all guardrails are securely attached and regularly checked for tightness to prevent falls and ensure child safety.
- **Assembly:** Assemble the bed on a soft, clean surface to prevent damage. Ensure all hardware is tightened properly before use. Periodically check and re-tighten all connections.
- **Choking Hazard:** Keep small parts and packaging materials away from children during assembly.
- **Electrical Safety:** The LED light is integrated. Do not attempt to modify or repair the electrical components. If the LED light malfunctions, contact customer support.
- **Placement:** Position the bed away from windows, cords, or other potential hazards.

2. PACKAGE CONTENTS

Verify that all components are present before assembly. If any parts are missing or damaged, do not proceed with assembly and contact customer service.

- Headboard with Storage and LED Light
- Footboard
- Side Rails (2)
- Guardrails (2)
- Bed Slats
- Center Support Legs
- Hardware Pack (screws, bolts, washers, Allen wrench)

3. ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. All necessary tools are included in the hardware pack. Follow the detailed step-by-step instructions provided in the separate assembly guide for your specific model.

General Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all components and hardware. Compare them with the parts list to ensure everything is present.
2. **Attach Side Rails to Headboard and Footboard:** Secure the side rails to the headboard and footboard using the provided bolts and an Allen wrench. Ensure connections are firm.
3. **Install Guardrails:** Attach the guardrails to the side rails as indicated in the assembly guide. These are crucial for safety.
4. **Place Bed Slats:** Distribute the bed slats evenly across the side rails. Secure them in place according to the instructions to provide proper mattress support.
5. **Install Center Support:** Attach any center support legs or beams as directed to enhance stability and weight distribution.
6. **Final Check:** Once assembled, ensure all bolts and screws are securely tightened. Do not overtighten.

Image 3.3: Detail of the guardrail and bed slats, highlighting their construction and placement.

4. OPERATING INSTRUCTIONS (LED LIGHT)

The integrated LED light in the headboard provides convenient illumination.

Using the LED Light:

- **Power Connection:** Ensure the LED light's power cord is properly plugged into a functional wall outlet.
- **Activation:** Locate the switch for the LED light, typically positioned on the headboard itself or along the power cord. Toggle the switch to turn the light ON or OFF.
- **Brightness/Modes:** If your model includes adjustable brightness or multiple light modes, refer to the specific instructions in your assembly guide for operation.

5. MAINTENANCE

Regular maintenance ensures the longevity and safety of your bed frame.

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically (e.g., every 3-6 months) inspect all bolts, screws, and connections. Retighten any loose hardware to maintain structural integrity.
- **Guardrail Inspection:** Regularly check the guardrails for any signs of wear, damage, or looseness. Ensure they remain firmly attached.
- **LED Light:** Keep the LED light area clean and free of dust. If the light stops working, check the power connection before contacting support.
- **Environmental Factors:** Avoid placing the bed in direct sunlight or near heat sources, which can cause wood to warp or fade.

6. TROUBLESHOOTING

If you encounter issues with your bed frame, refer to the following common problems and solutions.

- **Bed Frame is Wobbly:**
 - Check all bolts and screws. Tighten any that are loose.
 - Ensure the bed is on a level surface.
- **LED Light Not Working:**
 - Verify the power cord is securely plugged into a working electrical outlet.

- Check the light switch to ensure it is in the 'ON' position.
- If the issue persists, contact customer support. Do not attempt to repair electrical components yourself.

• **Parts Do Not Align During Assembly:**

- Double-check the assembly steps and diagrams in the detailed instruction guide.
- Ensure you are using the correct hardware for each step.
- Loosen previously tightened bolts slightly to allow for adjustment, then re-tighten once parts are aligned.

7. SPECIFICATIONS

Brand	SOFTSEA
Model Number	55529
Size	Twin (with Guardrail)
Product Dimensions	87"L x 43"W x 31.2"H
Material	Wood (Solid Pine Wood + MDF)
Color	Antique Gray
Special Features	Storage Headboard, Built-in LED Light, Guardrails
Assembly Required	Yes
Compatible Mattress Size	Twin
